1. Hey! I just swept my walk! What gives you clowns the right to throw weeds on it?!

2. They are not weeds, Master! They are palm leaves and roses!

3. We are preparing the path for the Guardian of the Inmost Wisdom, the

supreme sage of the distant kingdom of Outtadawei!

4. And we have come to greet you, our sublime ruler-to-be!

5. Gurf!

6. At last we have found you, Your Majesty! This is truly a great day for...

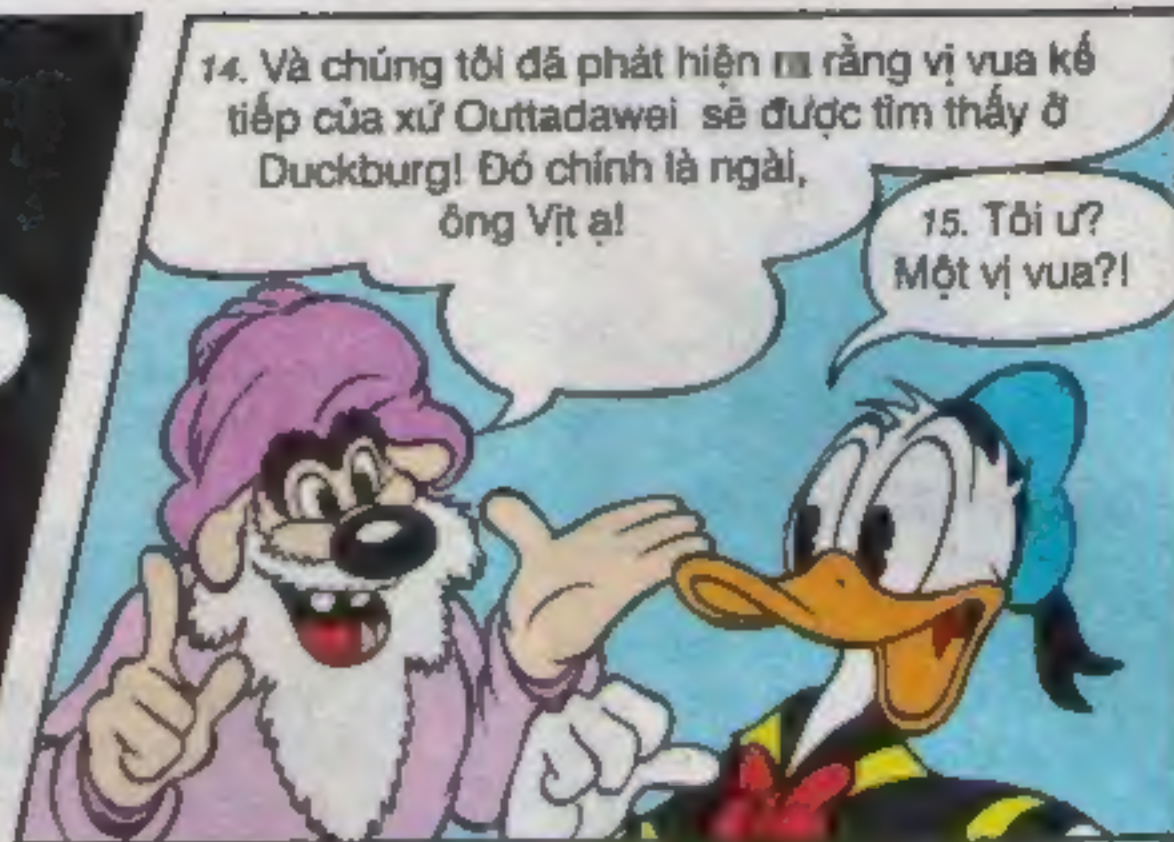

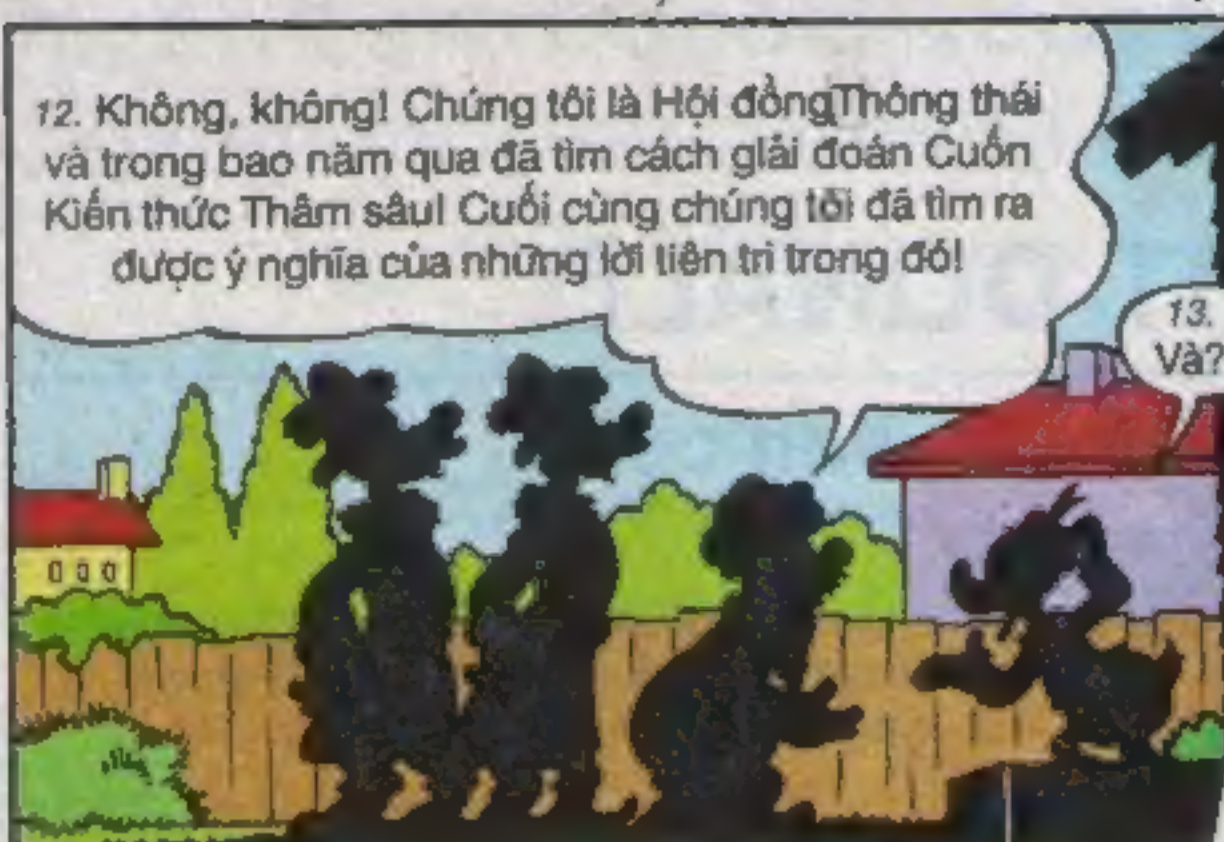

7. Huh?

8. YIPE!

9. It's an old custom, but very dangerous!

10. Your royal highness, allow me to...

11. Wait a sec! I get it! This is all a gag for TV, right? I bet there's a hidden camera somewhere!

12. No, no! We are the Council of Wisemen and for many years we have been deciphering the Book of Inmost Wisdom! We have finally interpreted its prophetic pronouncements!

13. And?

14. And we have discovered that the next king of Outtadawei is to be found in Duckburg! It's you, Mr. Duck!

15. Me? A king?!

16. I'm very flattered and I wouldn't say

you picked the wrong guy, but I just can't up and leave Duckburg! It's my home, you see, and...

17. Sigh! I knew this would happen!

18. HYPNOSIS

19. I've got a good job at... hey! What are you trying to pull?

20. Abra cadabara! You are feeling sleepy!

21. HYPNOSIS

22. Cut that out! I'll be late for work!

23. Very sleepy... oh, the heck with it!

24. I guess I should have practiced this at home first!

25. WHAM!

26. HYPNOSIS

27. Later —

28. Urgh! What happened? I've gotta get going! They'll fire me if I show up late for work again!

29. I'm afraid it's not possible! You're aboard the royal ship and on your way to Outtadawei!

30. Trying to duck-nap me, are you? Well, I'll just jump out and swim home!

31. Wait! That's not a very good idea!

32. Yipe! We're flying!

33. Of course! This is the royal air-ship!

34. More than a few long hours later —

35. Here we are, your majesty! Outtadaweil!

36. Who's that bunch of silly-looking goofs down there?

37. Er, the Outtadaweian aristocracy! Their leader is Count Wuntutenn, who will be your advisor and prime minister!

38. You mean I have to take advice from somebody who wears his pajamas all day long?!

39. Greetings, fellow Wisemen! I have returned with our new king!

40. Eh?

41. Welcome, your highness! Our country has been waiting a hundred years for you!

42. He's a bit small, isn't he?

43. I don't want to sound prejudiced, but — a duck!?

44. Chúng ta sẽ về đến cung điện ngay thôi!
Xin hãy thoải mái và hưởng thụ một
kiểu sống mới đến với bệ hạ!

45. Hừm! Cái trò vua chúa này rất
cực coi bộ cũng không đến nỗi tệ
lắm! Chắc chắn là nó hơn xa việc
lao động nặng nhọc ở
nhà máy bơ!

46. Và đây là
cung điện
hoàng gia!

47. Ôi! Một nơi thật hết ý!

48. Mọi việc bắt đầu
giống như cuộc
sống huy hoàng mà
mình hằng mơ ước!

49. Ông ấy không có vẻ giống một ông vua cho lắm!
chắc là ông ấy có những phẩm chất
tiềm tàng nào đó!

51. Chúng thần rất
mong như vậy!

50. Nè biết không,
ông bạn? Ta nghĩ ta
sẽ nhận công việc này
đấy!

52. Rất cực thì ngài đã
được lựa chọn bởi
Cuốn Kiến thức Thâm
sâu!

53. Những người
này là ai? Và vì sao
những pho tượng
này lớn đến thế?

54. Đó là những đấng tiên vương của ngài, tâu bệ hạ!
Những pho tượng đó
đúng kích thước thật!

55. Chúng thần đã
sẵn sàng để cử hành
lễ đăng quang!

56. Sau đó...

57. Chúng thần, Hội đồng
thông thái, xin cống bái ngài
vua xứ Outtadawei!

44. We will reach the palace soon! Just
relax and enjoy this sample of your life —
come!

45. Hmm! Maybe this king stuff isn't so
bad after all! It sure beats slaving away at
the margarine factory!

46. And here's the royal palace!

47. Wow! What a place!

48. This is starting to look like the life of

luxury I've always dreamed of!

49. He doesn't look very much like a king!
Perhaps he has some hidden qualities!

50. Y'know what, old boy? I think I'll take
the job!

51. We expected as much!

52. After all, you were chosen by the Book
of Wisdom!

53. Who are these guys? And why are the

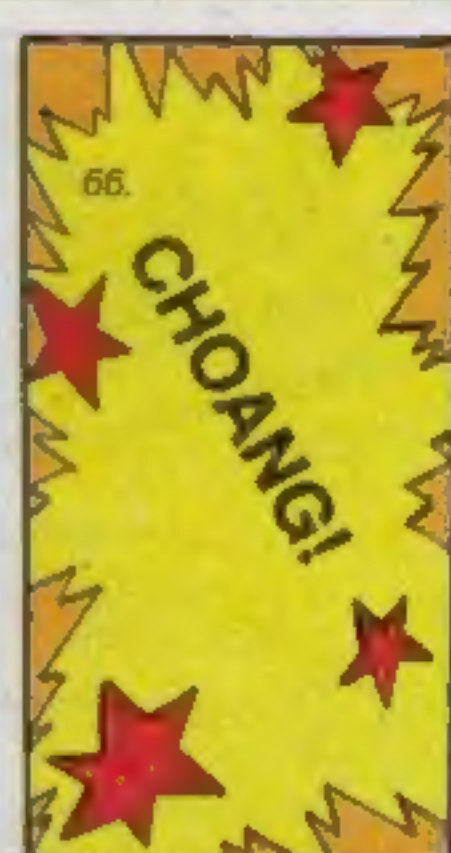

statues so big?

54. They were your predecessors, Your
Highness! The statues are life-size!

55. We are ready to proceed with the
coronation ceremony!

56. Shortly —

57. We, the Council of Wisemen, hereby
pronounce you King of Outtadawei!

58. May you rule wisely!

59. OOF!

60. Your first task as king is to appoint Count Wuntutenn as Prime Minister by touching his head with your scepter!

61. What's this thing made of... solid lead?!

62. Just a gentle tap will do!

63. He can hardly even lift it!

64. Ungh!

65. Urgh!

66. THUNK!

67. Soon —

68. I'm awfully sorry about that, Count!

69. Nothing to >ungh< worry about, Your Majesty! It could happen to anybody!

70. Now it's time for your coronation banquet!

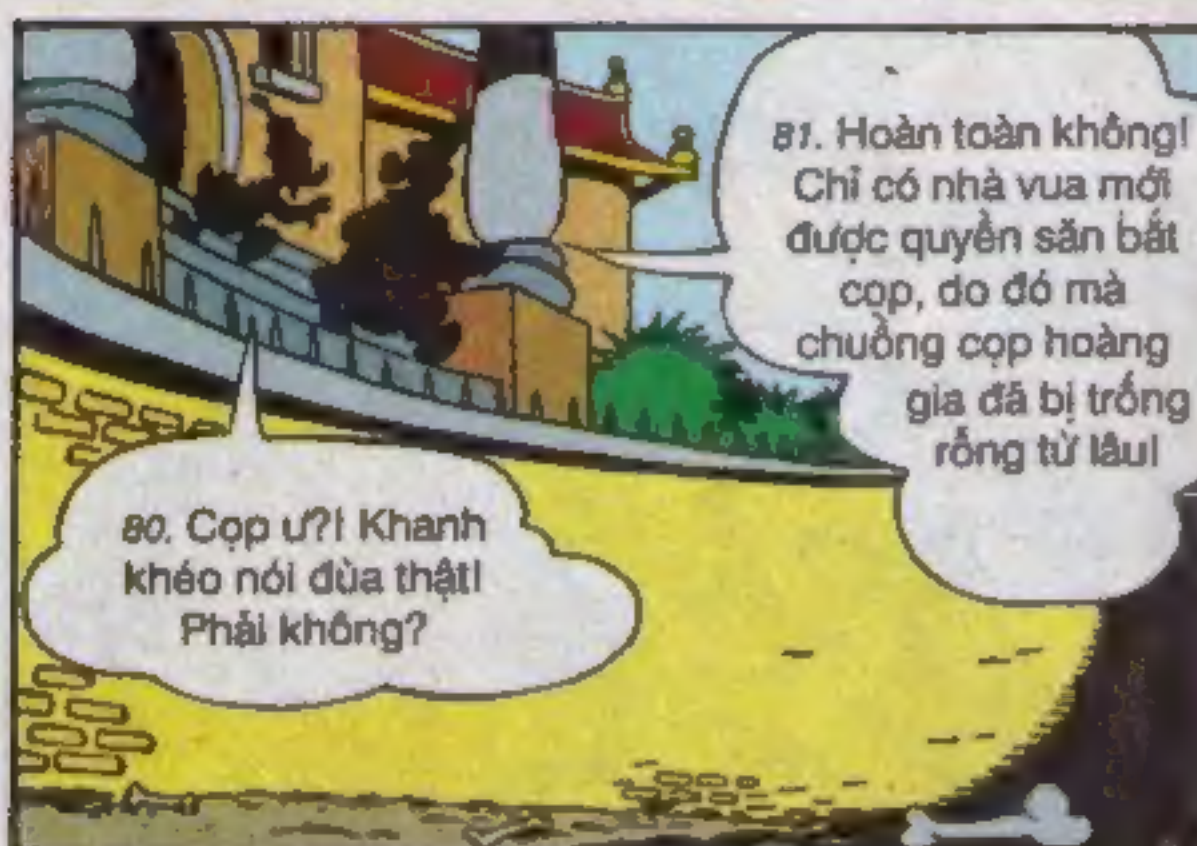

71. Great! I'm starving!

72. Next morning —

73. >Groan!< I'm still starving! I don't care if the Outtadawei national dish is lizard eggs fried in yak butter... I'm not eating it! I hope breakfast is better!

74. Oh no! Scrambled lizard eggs fried in yak butter!

75. Good morning, your majesty! Ready for another exciting day?

76. At least this outfit fits better than the cape and crown! What's it for?
 77. It's your hunting suit!
 78. Hunting? What are we gonna catch? Something good for dinner?
 79. No, it's your royal duty to capture some tigers!
 80. Tigers?! You've got to be kidding! I hope?
 81. Not at all! Only the king may hunt tigers, so the royal tiger pen has been

empty for a long time!
 82. This is the event that your court has been most eagerly awaiting! Let's not make them wait any longer!
 83. I guess I don't have a choice if I want a life of idle luxury!
 84. Fellow wisemen, I have an unpleasant feeling that the duck isn't the answer to our problems after all!
 85. Isn't this exciting? My grandmother told me about the last royal tiger hunt!

86. Yeah! Now that was a brave king! And the tigers nearly ate him anyway!
 87. TOWER OF WISDOM
 88. An hour later —
 89. Behold! The old temple ruins! That's where we're going!
 90. Is that where we're stopping for lunch?
 91. No, that's where the tigers are!
 92. YIPE!

93. Bình tĩnh, thánh thượng! Đó chỉ là một bức tượng thôi!

94. Ồ! Nó trông giống như thật ấy!

95. Được rồi, trăm chỉ việc ngồi đây mà xem đám thuộc hạ bắt mấy con cọp!

96. Không, không! Nhà vua phải tham gia vào cuộc săn!

97. Vào ban ngày, lũ cọp ẩn trong khe núi này! Khi bệ hạ đuổi chúng ra, chúng sẽ chạy thẳng vô trong những cái lồng!

98. Sao không phải là lũ cọp đuổi ta?

99. Bởi vì chúng sợ lửa! Đây là một cây đuốc và mấy cây diêm!

100. Hề, hề! Bệ - hạ - dễ như vậy sao hả?

101. Xin nhớ rằng bệ hạ đã được chọn lựa bởi Cuốn Kiến thức Thâm sâu! Nghĩa là bệ hạ có thể làm được việc này!

102. Nhưng đã có ai nhớ và nói cho lũ cọp biết chưa vậy?

103. Oái! Chúng đây rồi! Tới lúc phải xài cây đuốc!

104. Ồ, không! Mình quá sợ hãi, ngay cả đánh diêm cũng không nổi!

93. Take it easy, your highness! It's just a sculpture!

94. Whew! It looks awfully lifelike!

95. Okay, I'll just sit up here and watch the servants catch the tigers!

96. No, no! The king must take part in the hunt!

97. During the day, the tigers hide in this

ravine! When you chase them out, they'll run straight into the cages!

98. Why won't the tigers be chasing me?

99. Because they're afraid of fire! Here's a torch and some matches!

100. Heh, heh! Is it >shudder< that easy?

101. Remember, you've been chosen by

the Book of Wisdom! That means you can do it!

102. But did anybody remember to tell the tigers?

103. Yipe! Here they come! Time for the torch!

104. Oh, no! I'm so scared, I can't even light the match!

105. ROOAR!

106. HALLP!

107. Groww!

108. Whew! The tigers can't get in through that narrow crevice! But boy, is it dark in here!

109. Oh yeah! I've still got the torch and matches!

110. Yeow! This place is crawling with mice, bats, and lizards!

111. Get away from me!

112. Squeek!

113. Huh? What's going on?

114. The king is chasing bats and lizards instead of tigers!

115. And the mice are scaring the

elephants! Eek!

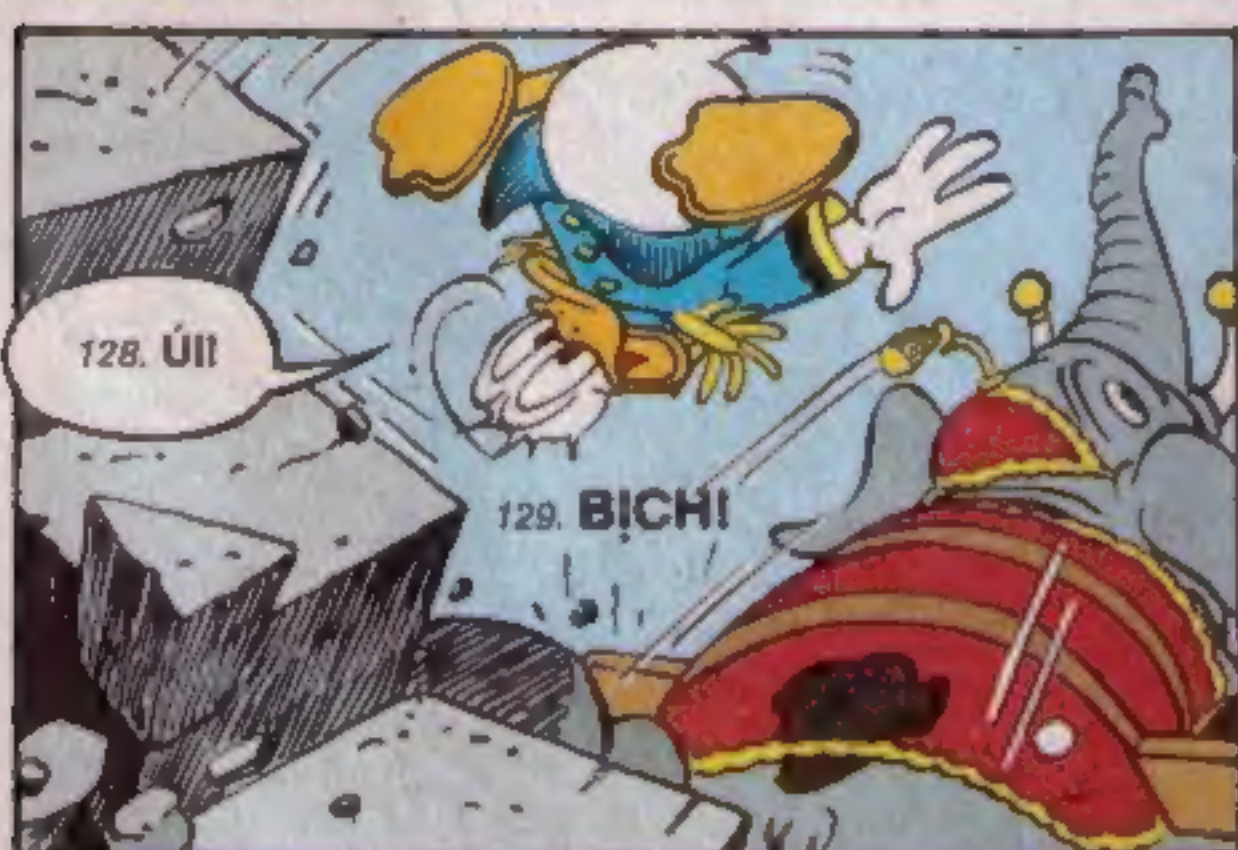

116. Ahh! Fresh air! And no bats or tigers!

117. Hey! Be careful with that torch!

118. FZZT!

119. YE-OWW!

120. Oops! Sorry, Count!

121. YIPE!
122. I'll go get help!
123. BWOONT!
124. Help!
125. OUCH!
126. Huh?!

127. EEEK!
128. YOW!
129. WHAM!
130. The king is running away!
131. Hey! Stop!
132. I don't care if he's the chosen one!

When I get my hands on him, I'm gonna... Hey! Where is that miserable duck, anyway!?
133. He's gone, Count! And he took all the elephants with him!

134. Tôn sư! Nhìn xem ai trở lại kia! Ngài nói đúng, những khó khăn của chúng ta chỉ mới bắt đầu thôi!

135. Hà cớ gì mà ta phải trở thành một nhà thông thái cơ chứ? Cớ sao ta không nghe lời mẹ ta để làm một thợ ống nước cơ chứ?

136. Vài giờ sau...

137. Tôi đói!

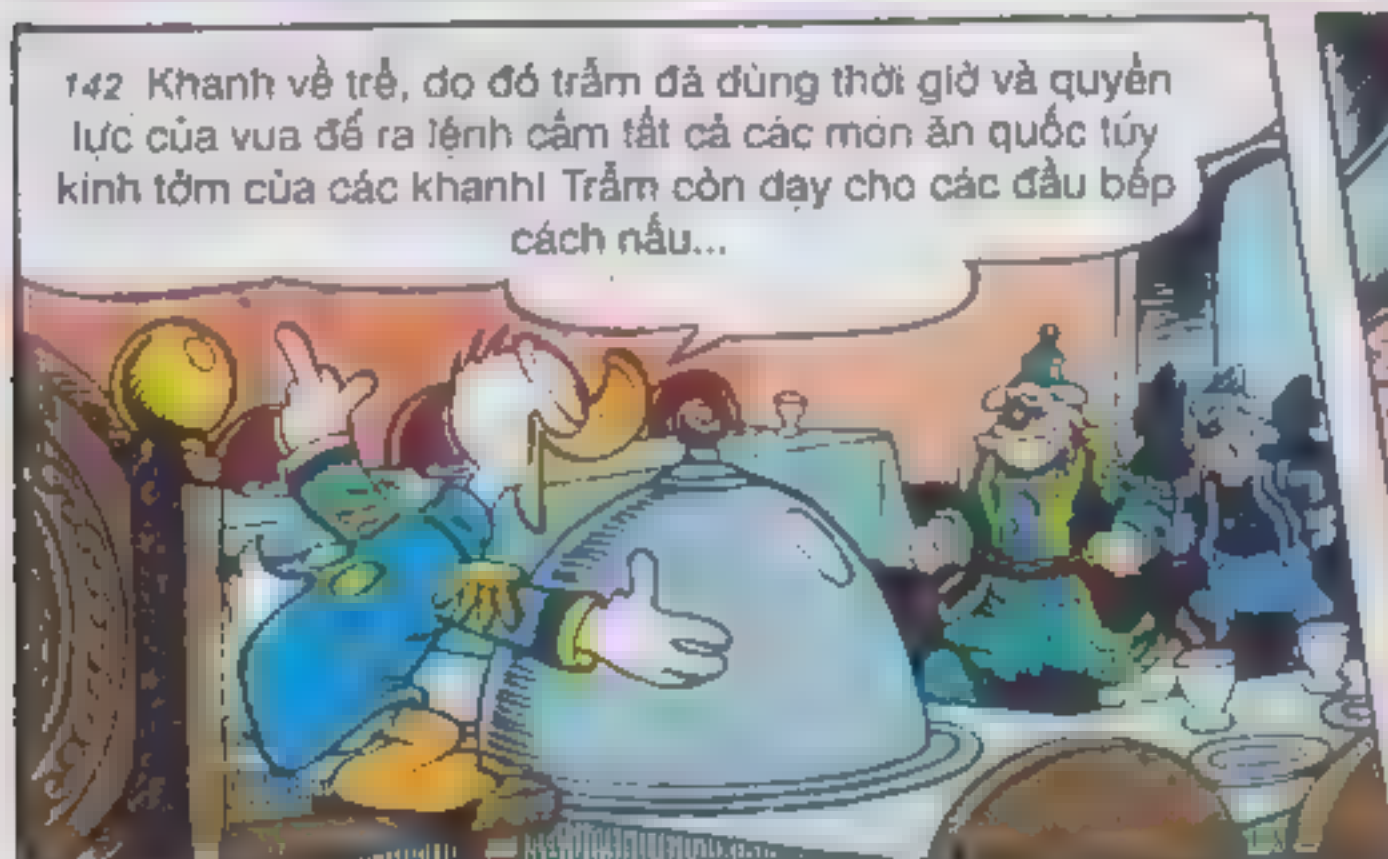

138. Ngài đã quyết định truất phế hắn chưa vậy, thưa Bà tước?

139. Ta còn phải thảo luận việc này với Hội đồng Thông thái! Sự việc phải được làm theo cuốn sách kia!

140. Nhưng trước hết, hãy thưởng thức bữa đại tiệc sẵn sẵn theo truyền thống cái đã trước khi...

141. Hắn là khanh đói lắm, Bà tước!

142. Khanh về trễ, do đó trăm đã dùng thời giờ và quyền lực của vua để ra lệnh cấm tất cả các món ăn quốc túy kinh tởm của các khanh! Trăm còn dạy cho các đầu bếp cách nấu...

143. XÚC XÍCH!

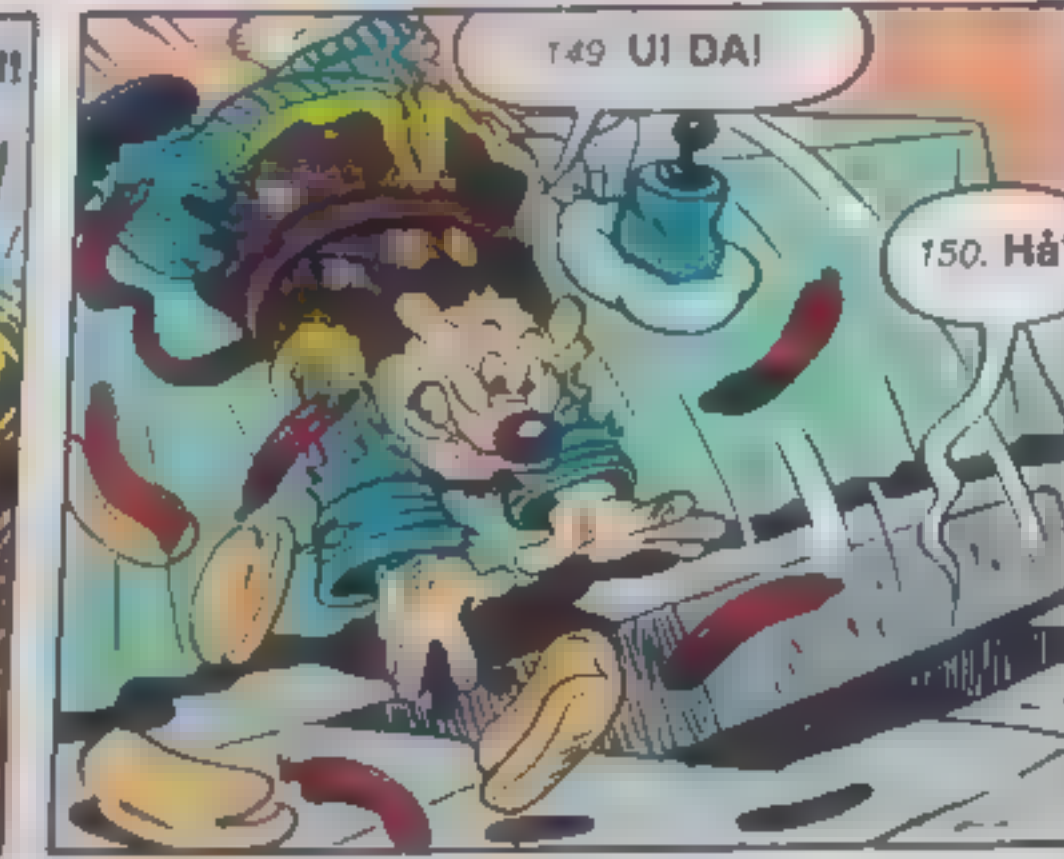

144. Oe! Dù có là tội phản nghịch hay không...

145. Ồ không!

146. Ta sẽ nhốt lỏng con vịt đó trước khi đã hân vãng khỏi đất nước!

147. Này! Khanh còn chưa nếm thử nó mà!

148. TÁCH!

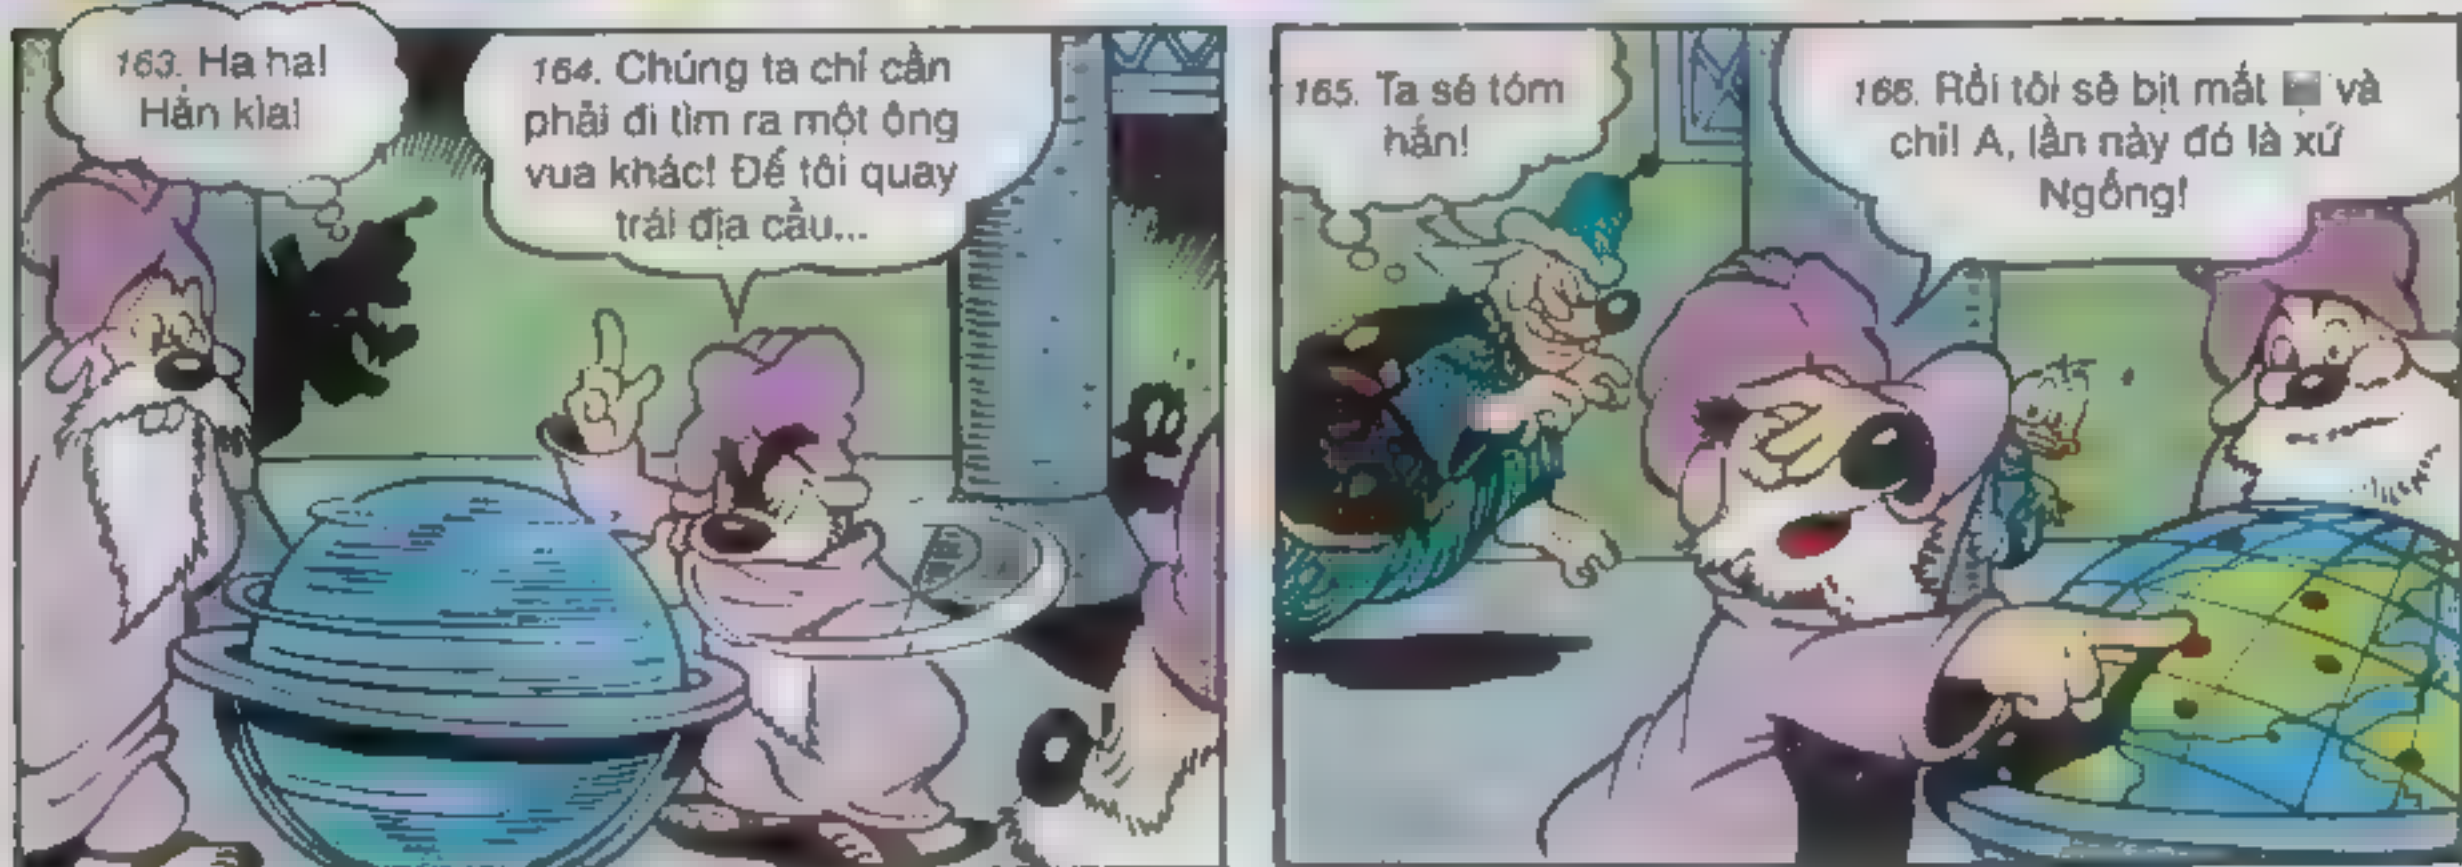

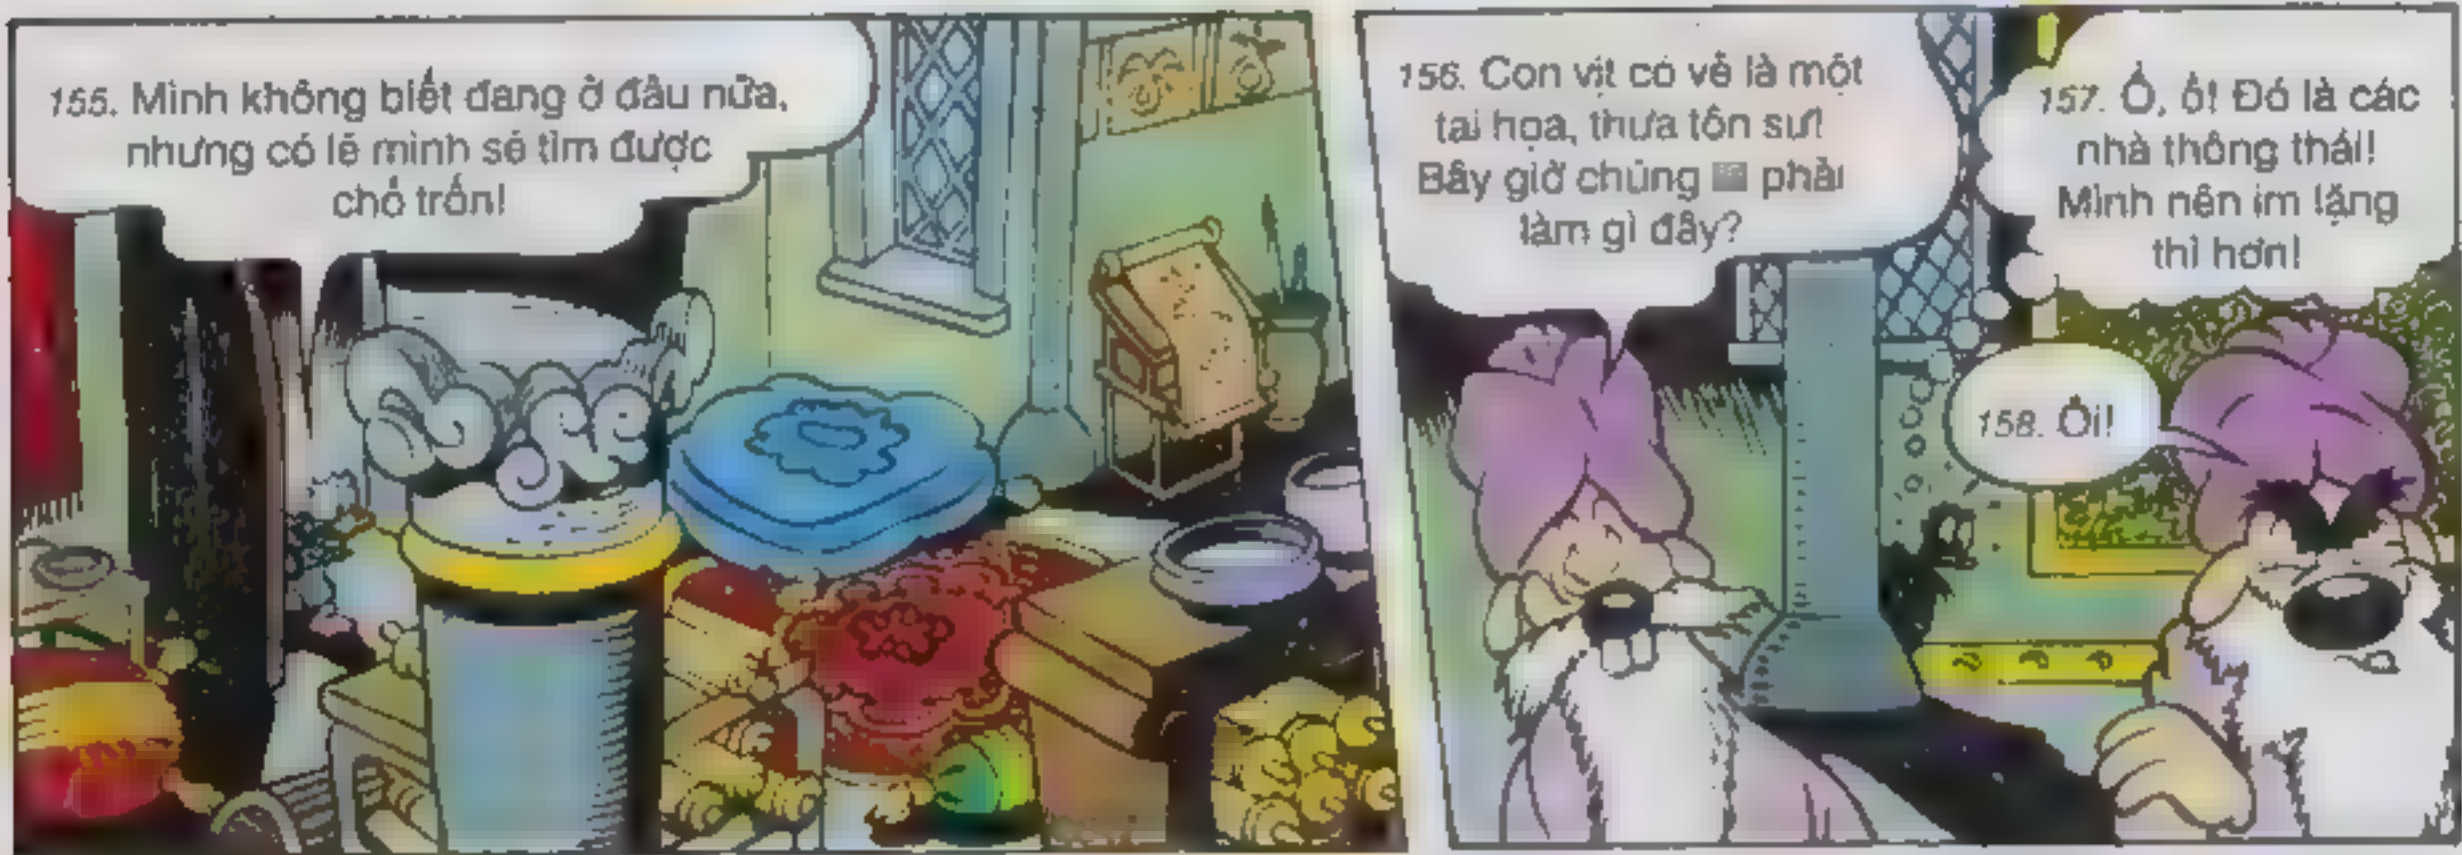

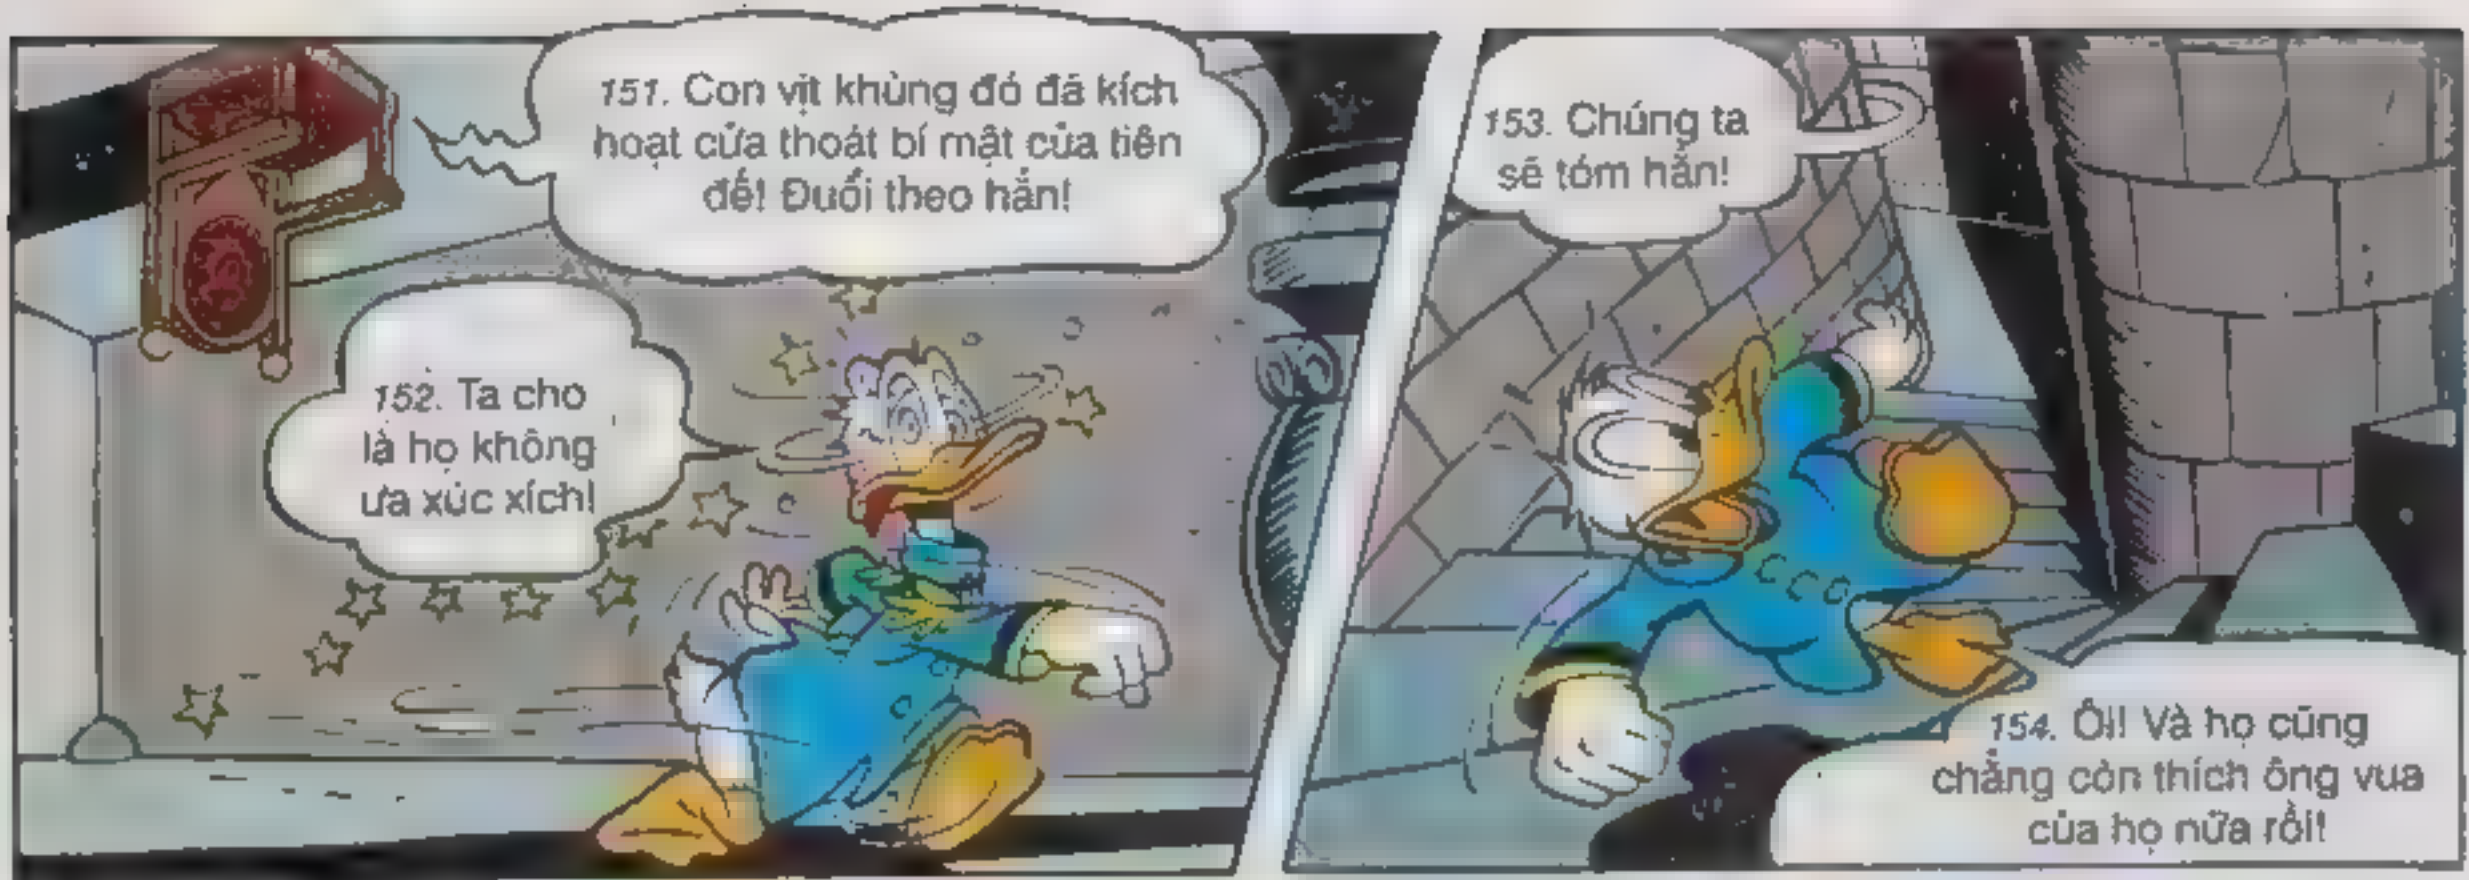

149. UI ĐAI!

150. Hả?

134. Master: Look who's back! You were right, our troubles have just begun!
135. Why did I have to be a wiseman? Why didn't I listen to my mother and be a plumber?
136. A couple of hours later —
137. I'm hungry!
138. Have you decided to dethrone him, Count?

139. I'll have to discuss it with the Council of Wisemen! It has to be done by the book!
140. But first, let's enjoy the traditional hunting banquet before we...
141. You must be starving, Count!
142. You were late getting back, so I used the time and my power as king to outlaw all your icky national dishes! I even taught your cooks how to make...

143. HOT DOGS!
144. Snarl! High treason or not...
145. Oh no!
146. I'm gonna pluck that duck before I kick him out of the country!
147. Hey! You haven't even tasted it...
148. CLICK!
149. YE-OWTCH!
150. Huh?!

151. That fool duck activated the last king's secret escape trapdoor! After him!
 152. I guess they don't like hot dogs!
 153. We'll get him!
 154. Yeep! And they don't like their king any more, either!
 155. I don't know where I am, but maybe I can find a place to hide!
 156. The duck seems to be a disaster,

Master! What do we do now?
 157. Uh oh! It's the Wiseguys! I'd better keep quiet!
 158. Sigh!
 159. He's gone into the Tower of Wisdom! It'll be easy to sneak up on him!
 160. We've been consulting that stupid book for years, and the only sense we've made out of it is that it doesn't make any

sense!
 161. But the nobles want us to find a king!
 162. I know!
 163. Aha! There he is!
 164. We'll just have to find another one! I'll spin the globe...
 165. I've got him!
 166. Then I close my eyes, and point! Ah, this time it's Gooseville!

167. So we'll just go there, get a phone book, and...

168. Gotcha!

169. Gulp!

170. And then we pick a name at random!

171. At random? At random?!

172. I just hope we have better luck this time!

173. LUCK?!

174. Oh no! Count Wuntutenn!

175. You mean this guy wasn't chosen

by your book? You just picked him out at random!? No wonder he's the worst king this country has ever had!

176. Oh yeah? Well, this is the worst country I've ever been king of!

177. Since it wasn't really your fault, we can't punish you! Instead we'll provide you with transportation to the nearest airport!

178. Thanks! I've kinda gotten tired of being a king anyway!

179. And as for you three...

180. Er, I've heard they're looking for a new wiseman over in Farawaystan!

181. Can they use a plumber, too?

182. Unfortunately, the nearest airport is a long way from Outtadawai, but some people aren't even that lucky —

183. Don't worry, boys!

184. CAMEL STOP

185. They told me the next caravan will be along in a couple of weeks!

66. I'm talking mega-celebrations, sir! 67. Very well! 68. I guess folk are so busy with them, they plain forgot the time! 69. Then they are forgiven! Perhaps I judged hastily!

BÁC SCROOGE

Tiền ở trên thiên đàng

Người dịch: VIỆT DŨNG

1. Scrooge is flying high in a new, seemingly unassailable money bin in the sky! Only one hitch; the Beagle Boys have risen to the challenge, and now sit in the catbird seat —

2. How could you have figured it out? How?

3. We overheard the real Wilde & Savage at the airport talkin' about your upcomin'

meetin'!

4. So we situated 'em nice an' cozy in a broom closet, took their place on their flight, and here we are!

5. You got lucky, you felonious fiends!

6. We just play it as it lies! Now, if you'll excuse us...

7. ...we will adjourn to the bin!

8. This is a most elevatin' moment!

9. Let's not get too giddy! This setup's more elaborate than anything we've ever tackled!

10. True! We can't just load up a bunch of trucks and drive off!

11. Which means we've got to take over this whole operation!

12. In time for lunch, I hope!

13. Phi đoàn trưởng, đây ■ ngài McDuck! Thông báo tất cả nhân viên rằng họ được nghỉ phép một tuần, bắt đầu ngay lập tức! Kể cả chính ông luôn!

14. Vâng, thưa ngài! Cảm ơn ngài!

15. Ta muốn chỉ có ban điều hành cần thiết lưu lại trên tàu! Và thay đổi toàn bộ mật mã an ninh!

16. Nó làm tốt như mình, mình phải thừa nhận!

17. Tại phi trường Duckburg...

18. Mình hy vọng các cháu của ngài McDuck biết đôi điều về chuyện gì đang xảy ra!

19. Mọi chuyện ở Skyvault đều ổn cả chứ, Donald?

20. Đại khái như vậy! Bác Scrooge đang họp bàn công chuyện làm ăn!

21. Không phải với Wilde và Savage đâu! Bọn họ được tìm thấy ở dưới này chỉ cách đây vài phút!

22. Ông biết đó, cháu ngờ ngợ bọn người đó!

23. Cháu ■ rằng bác Scrooge cao quý đáng kính đang gặp nguy! Chúng ■ phải quay lại đó!

24. Không thể được rồi!

25. Theo mệnh lệnh trực tiếp của bác cháu, mọi phương tiện tiếp cận đang bị ■ chối, ngoại trừ các tàu tiếp nhiên liệu!

26. Đó có nghĩa ■ có nguy khốn! Chúng ta phải tìm cách trở lên đó!

27. Tôi không hiểu làm sao mà các cậu xoay sở được!

28. Xin lỗi nhé! Tôi phải gặp chiếc máy bay đang chở các nhân viên xuống kia kia!

13. Captain, this ■ Mr. McDuck! Inform all personnel that they have one week's vacation, starting immediately! That includes yourself!

14. Yes, sir! Thank you, sir!

15. I want only necessary operational staff to remain on board! And change all security codes!

16. He does ■ pretty good me, I must admit!

17. At Duckburg Airport —

18. I hope Mr. McDuck's nephews have some idea of what's going on!

19. Is everything all right up at Skyvault, Donald?

20. More or less! Uncle Scrooge is in a business meeting!

21. Not with Wilde and Savage! They were found down here just minutes ago!

22. Y'know, I wondered about those guys!

23. I'd bet my merit badges Uncle Scrooge is in trouble! We have to go back!

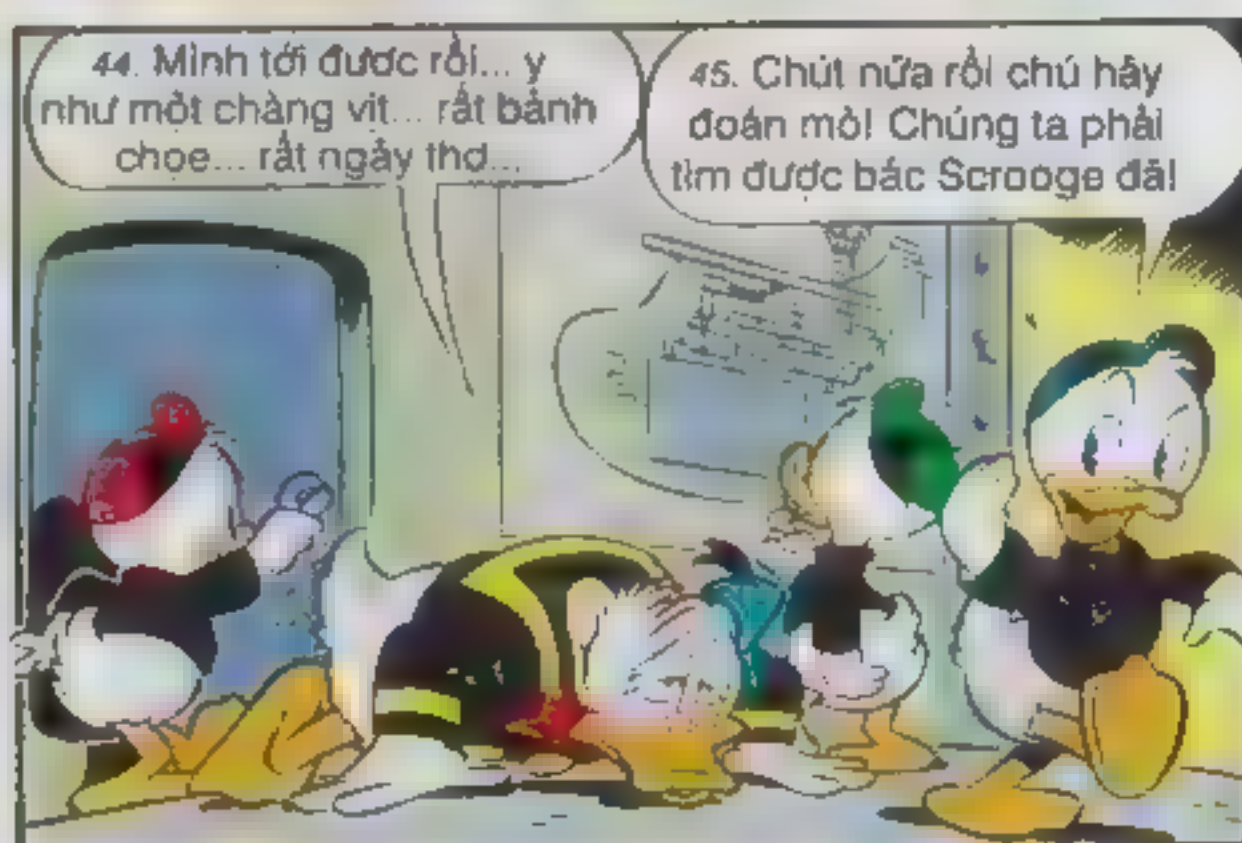

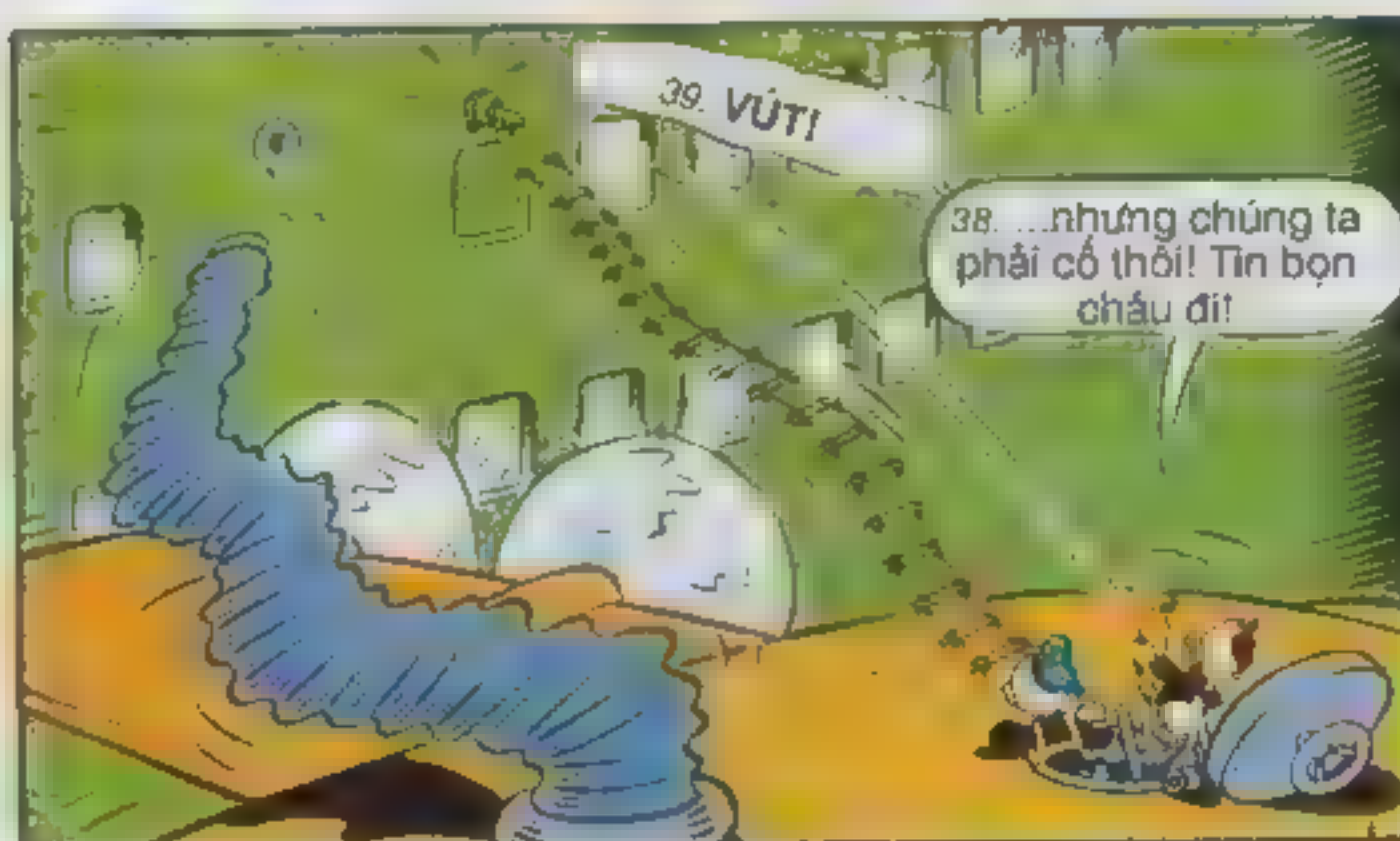

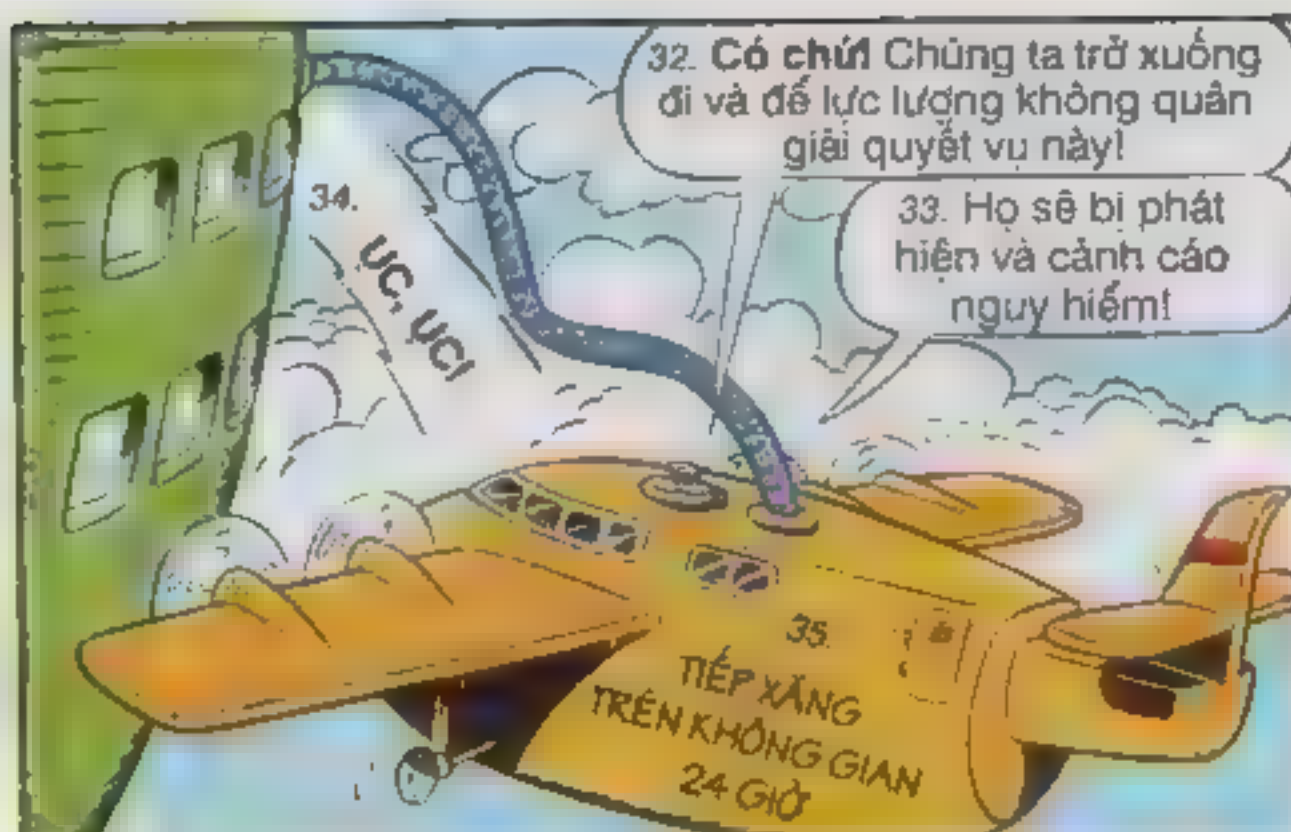

24. Not possible!

25. By your uncle's direct order, all access is being denied, except for tankers!

26. That's got to mean trouble! We have to get back up there somehow!

27. I don't see how you could manage it!

28. Excuse me! I have to meet the plane bringing down the staff!

29. Shortly, aboard a tanker ---

30. I don't know about this, boys...

31. Do you have a better plan?

32. Yes! We go back and let the Air Force handle this!

33. They'd be spotted and warned off!

34. GLUB! GLUB!

35. 24-HOUR AIRGAS-N'-GO

36. How about the Marines, then? The

S.E.A.L.S.? The Duckburg Hot Air Balloon Society?

37. Okay, so our plan is kinda risky...

38. ...but we have to take a shot! Trust us!

39. SHMOOK!

40. This isn't about trust! It's about terror! I'm not in my natural element here!

41. Those boys are brave, but completely

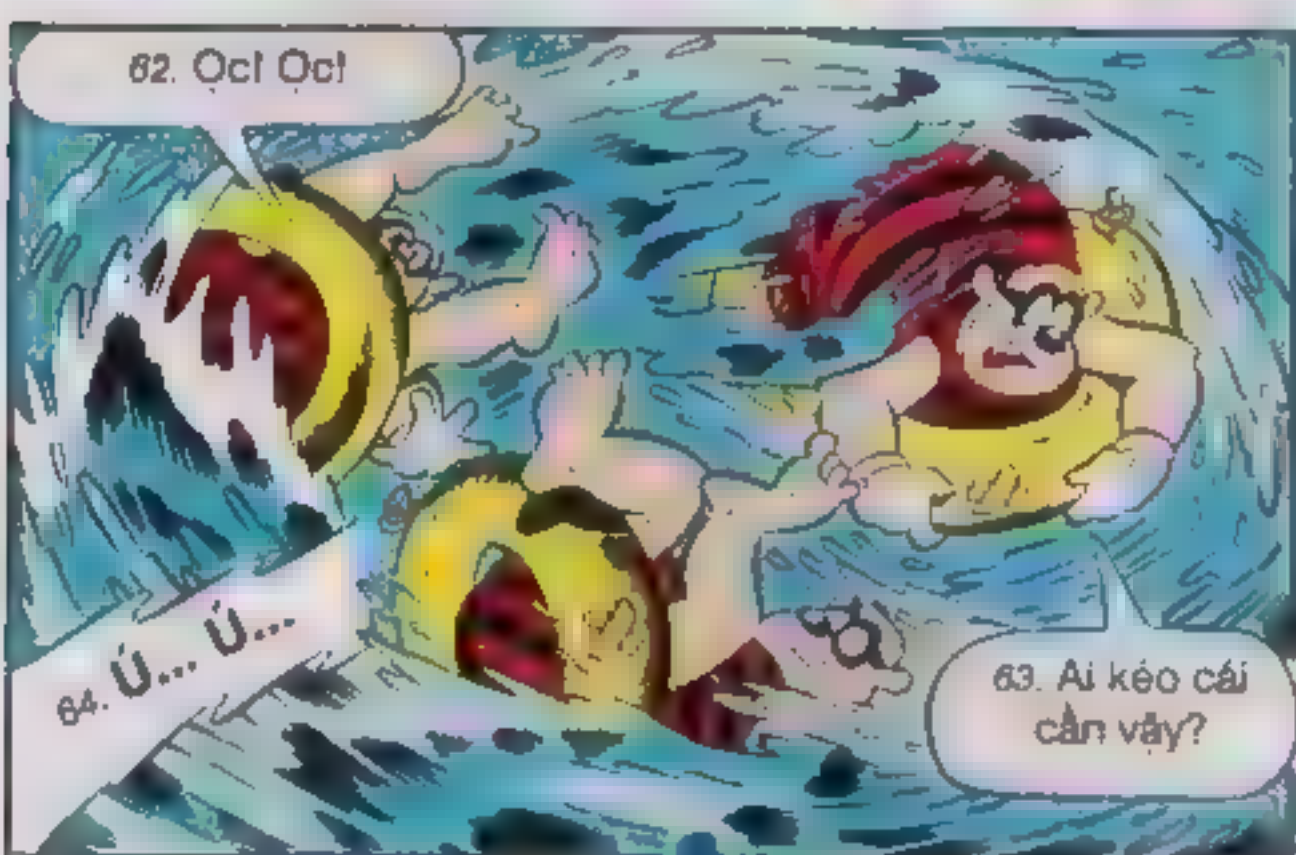

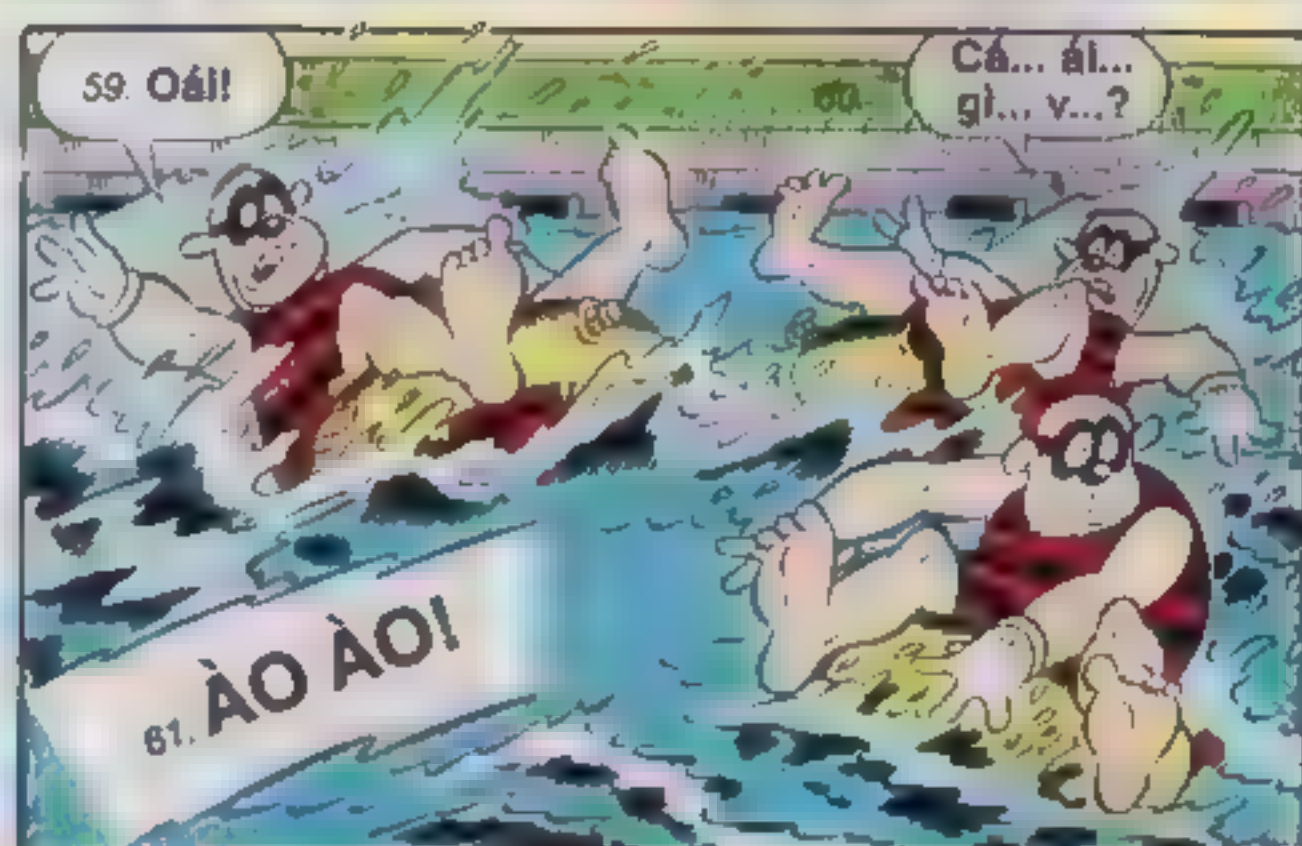

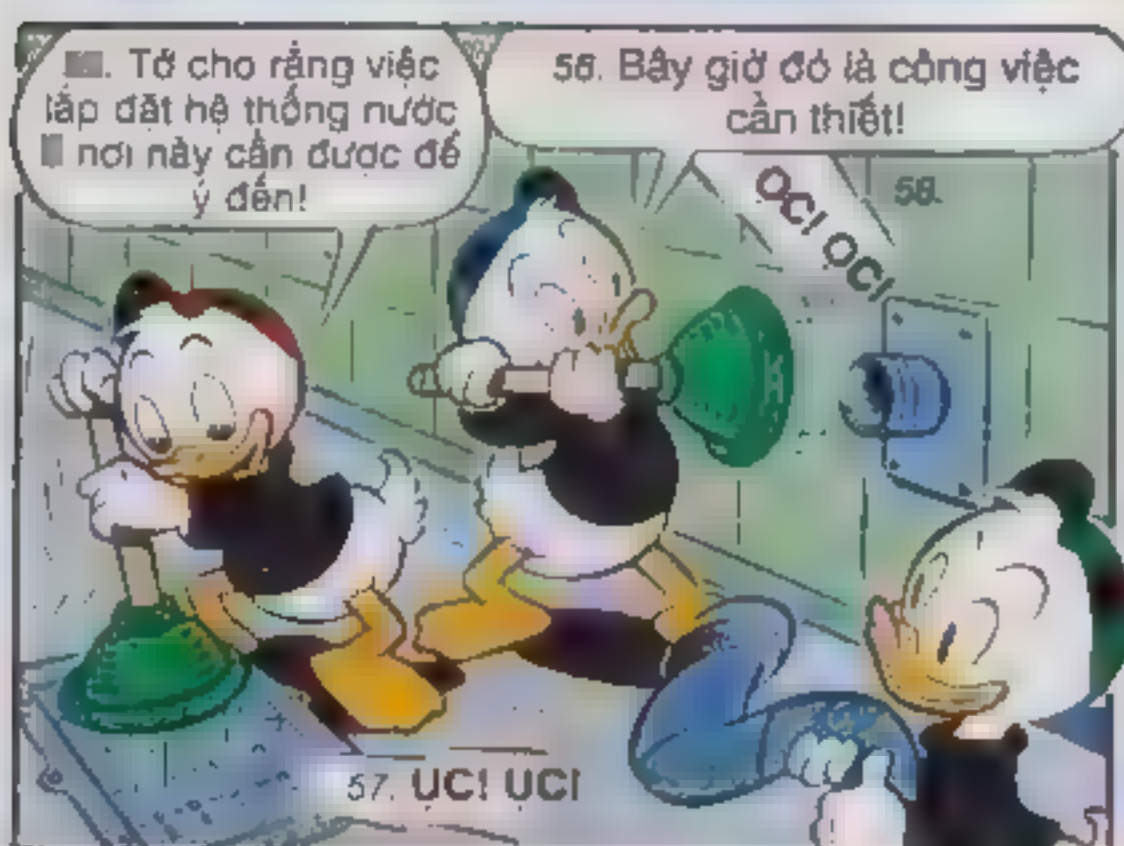

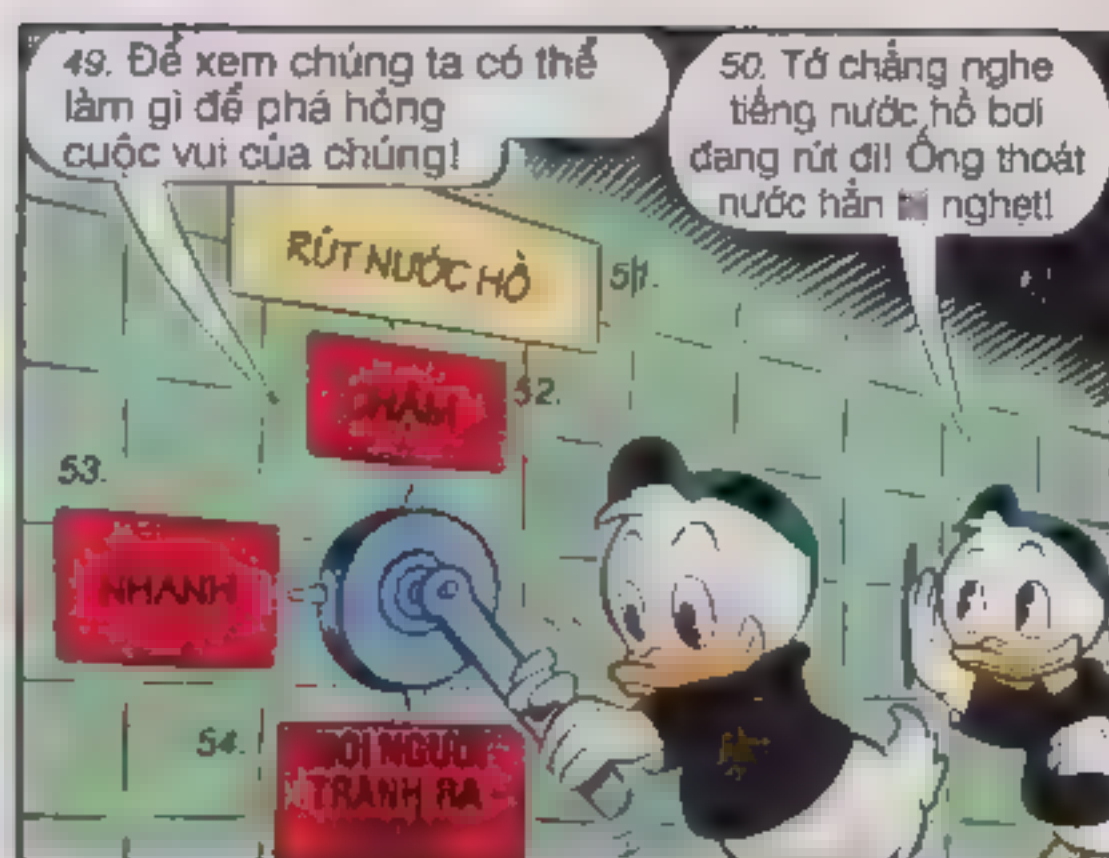

bonkers!

42. This fuel intake maintenance hatch is unlocked, just as I'd hoped!

43. You mean... you weren't sure?

44. There I am... as a duckling... so cute, so innocent...

45. Let your life pass before your eyes later! We have to find Unca Scrooge!

46. Soon —
 47. There's our trouble — the Beagle Boys, lounging around like kings in their castle!
 48. They weren't supposed to even suspect this place existed!
 49. Let's see what we can do to spoil their party!
 50. I don't hear the pool draining! Pipes must be clogged!
 51. POOL DRAIN

52. SLOW
 53. FAST
 54. EVERYBODY OUT!
 55. Guess the plumbing in this place did need some attention!
 56. It's necessary work now!
 57. SHMOOK! SHMOOK!
 58. SPLOOCH!
 59. Yeow!
 60. Whu...?
 61. SLOOOSH!

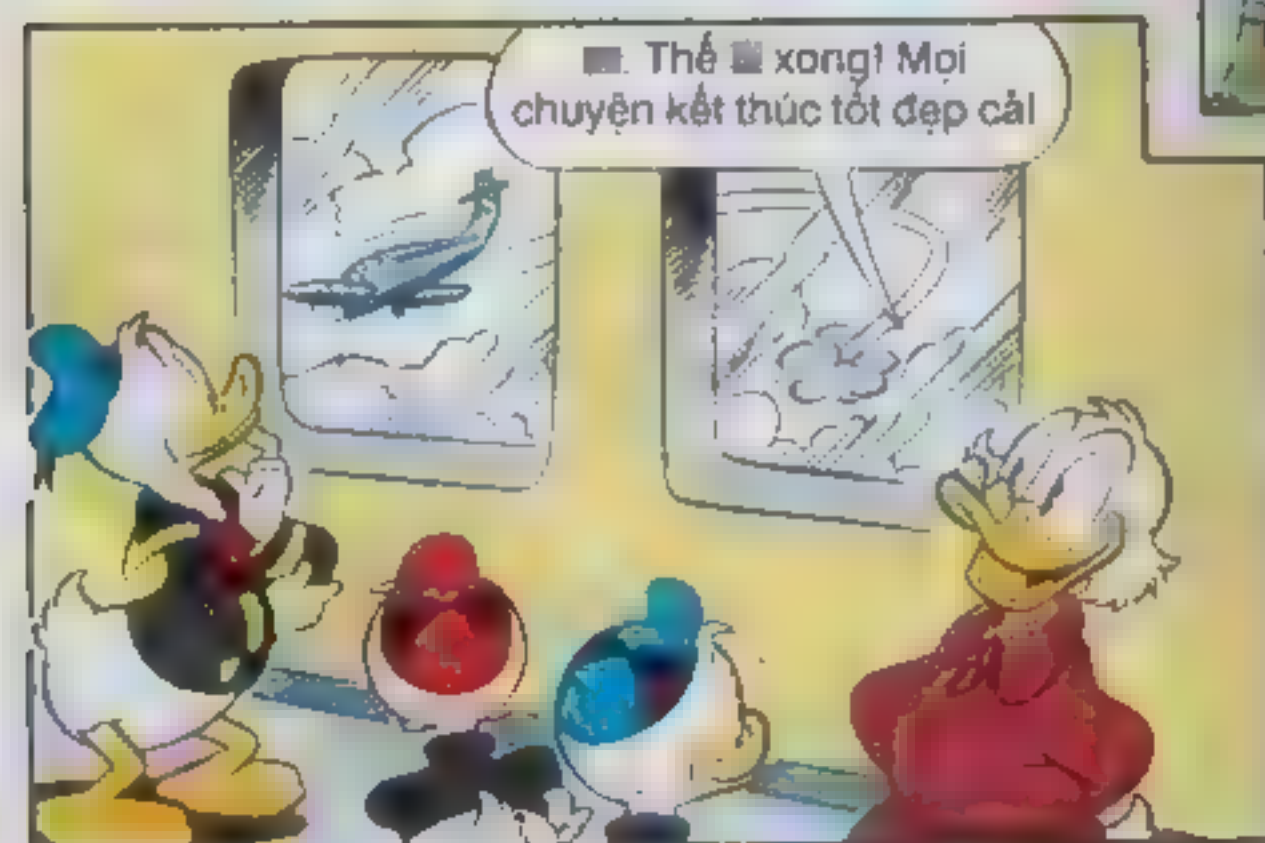

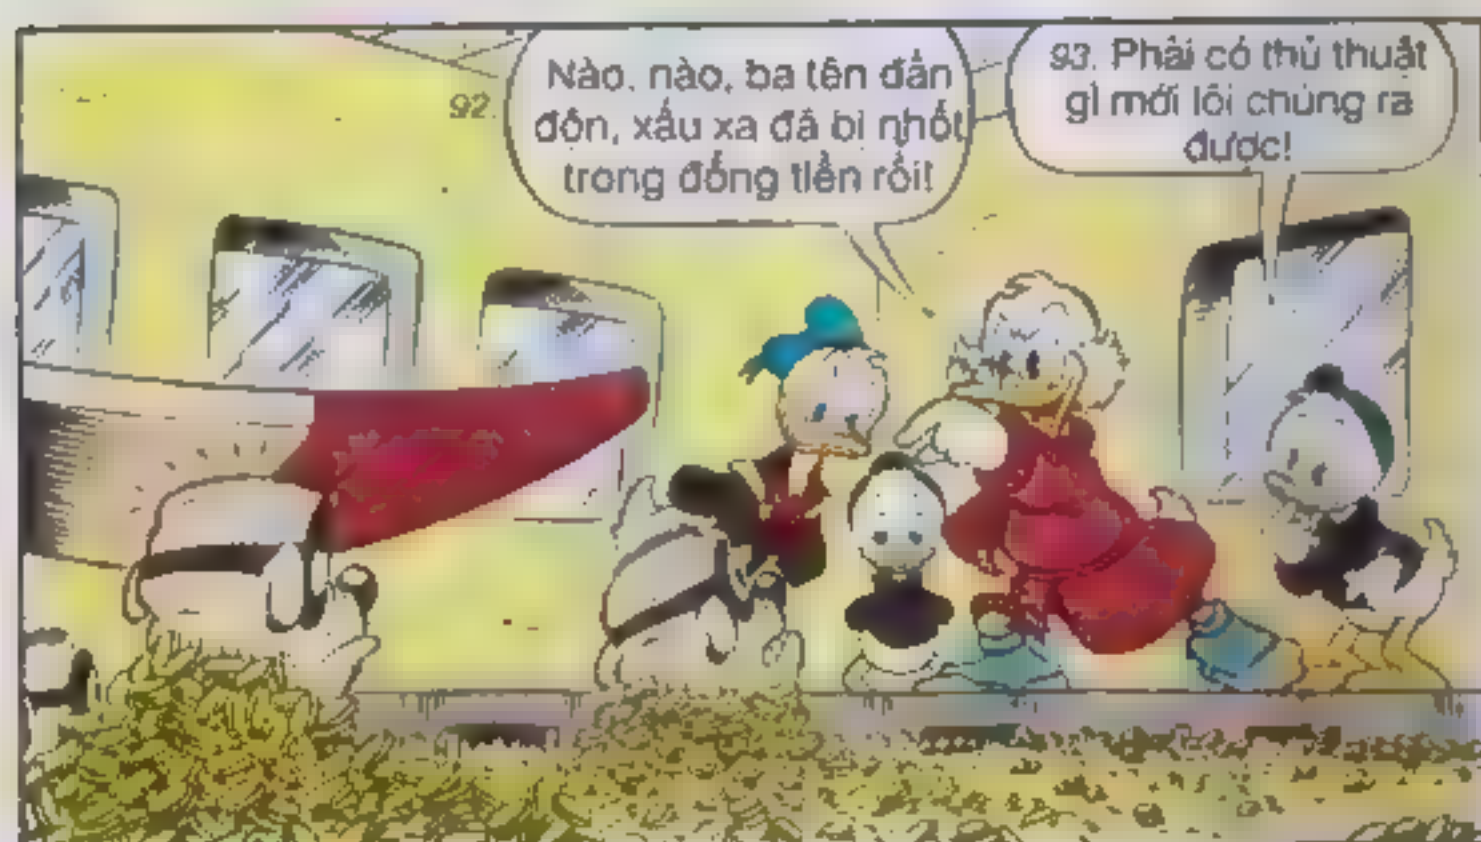

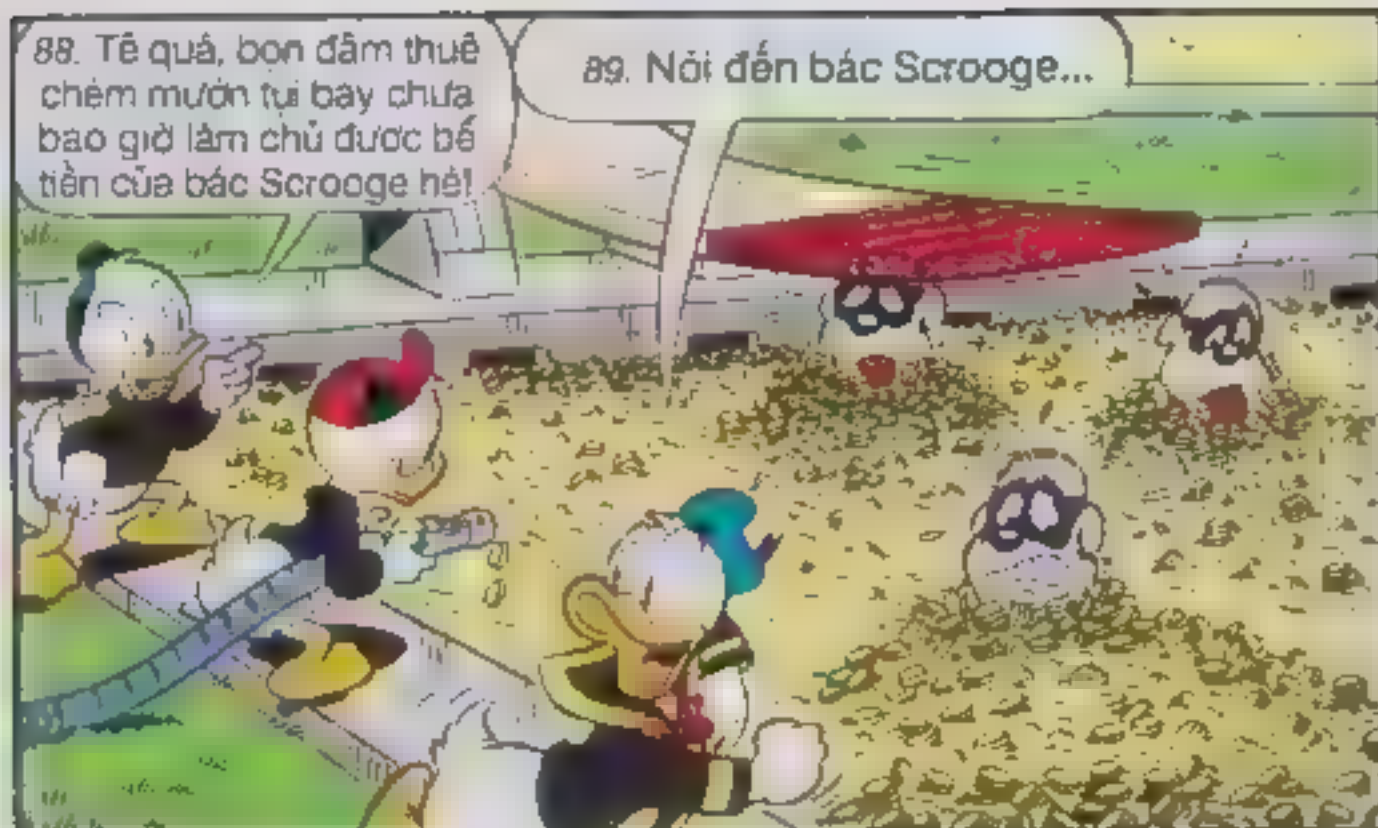

62. Whoa! Whoa!
 63. Who pulled the plug?
 64. GLURGLE! ROAR!
 65. We did, you comball crooks!
 66. McDuck's nephews!
 67. Why don't you boys just relax? We'll have the police up here in no time!
 68. Rats! Looks like they've got us!
 69. Not quite! Would you like to do the honors, 176-761?
 70. It would be my pleasure, 176-167!

71 We took circus acrobat training during our last stint in stir!
 72. You guys never go down easy, do you!
 73. BWOING!
 74. Got that right, mac!
 75. It's okay! I'll get him with this fire hose!
 76. Phooey! More clogged plumbing!

77. Too bad, so sad! Haw!
 78. HUURK! KOFF!
 79. Quick, Louie! We're out of options!
 80. Why don't you brats make it easy on yourselves an'...
 81. SHMOOK! SHMLUCK!
 82. I think that's got ❷ Now to blast him

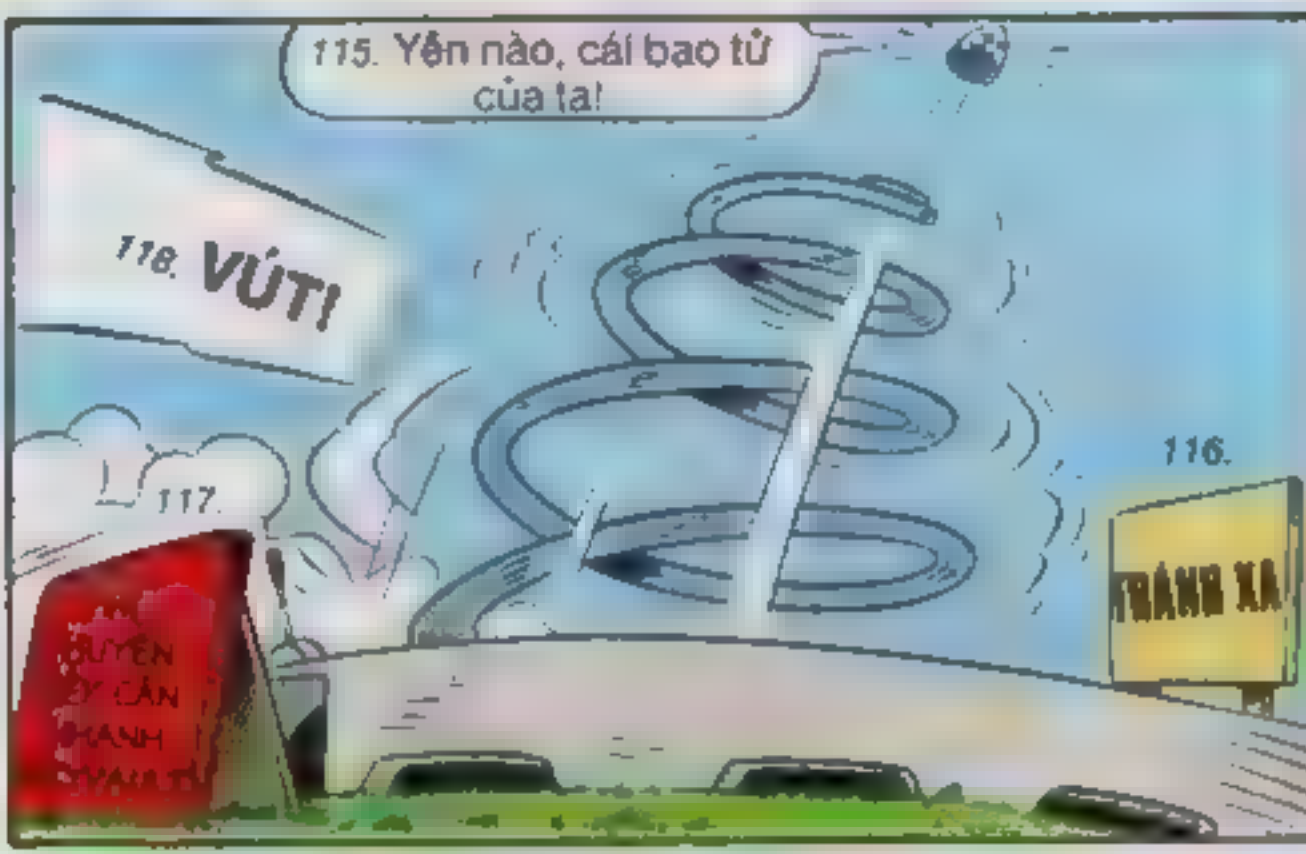

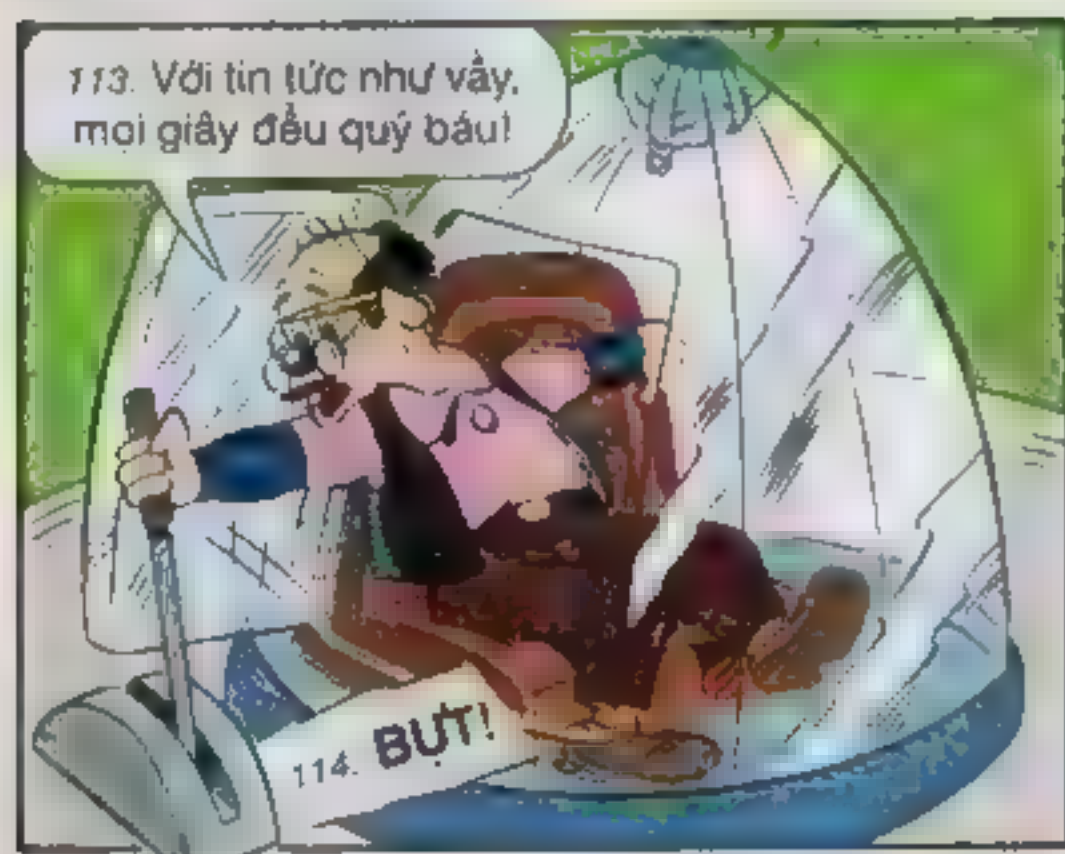

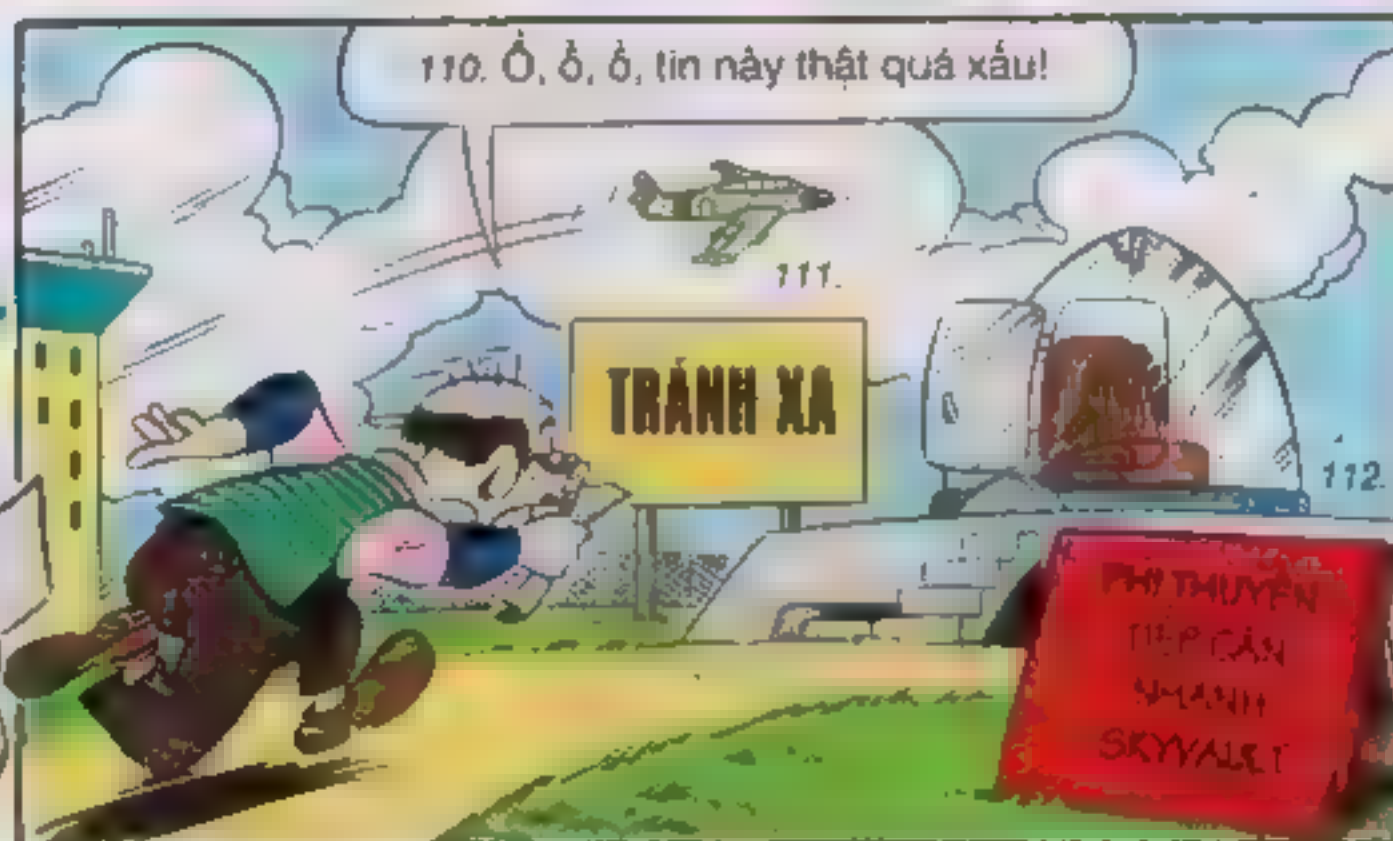

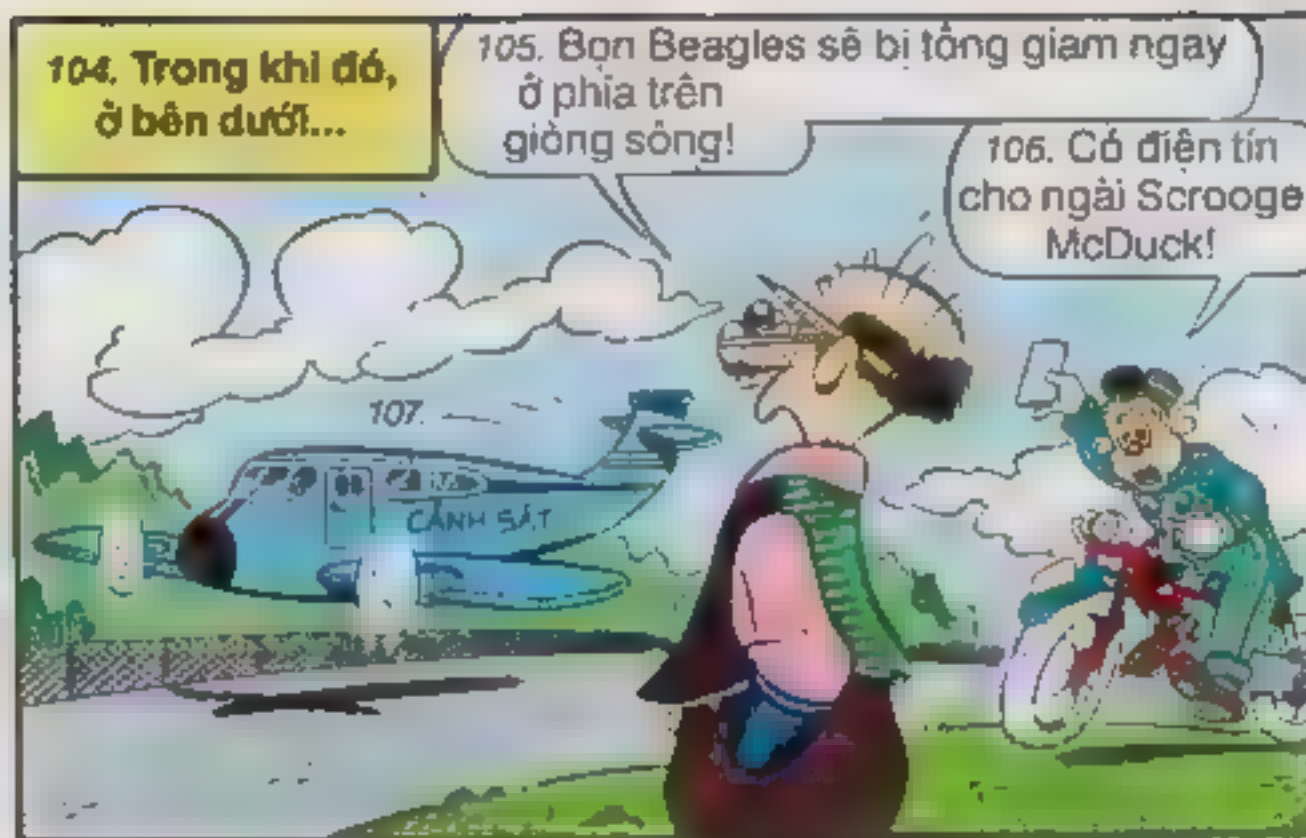

with... money?
 ❷. Ork!
 84. Ha! This must be how Unca Scrooge moves his money around up here!
 85. Watch it! Don't crowd!
 86. That puts paid to their little raid!
 87. We give! We give!

88. Too bad, you goons never mastered Uncle Scrooge's money swim!
89. Speaking of Uncle Scrooge...
90. ...I suppose he'd like to be in on the fun!
91. You boys sure are getting good at this sort of thing!

■. My, my, three ugly knuckleheads incarcerated in cash!
93. Getting them out could be a trick!
94. You're forgetting the versatility of the plumber's helper?!
95. SHMOOP!
96. Trundle them over ■ the hatch! I've

arranged transport!
97. Here's the last one, officers!
98. POLICE
99. And that's that! All's well that ends well!
100. Yeah, but it almost didn't! The Beagles had you cold up here!
101. Not for long, thanks to you!

102. And, as you've done some of the plumbing work I wanted to hire you for, I'll reward your efforts at your standard wages! Fair?

103. Not even close! But we know better than to argue!

104. Meanwhile, down below —

105. Those Beagles will be sent up now! Up the river!

106. Telegram for Scrooge McDuck!

107. POLICE

108. Thank you, sonny! I'll...

109. Eee-yipes!

110. Oh, oh, oh, this is just shocking!

111. STAY AWAY!

112. SKYVAULT RAPID ACCESS CAPSULE

113. With news like this, every second counts!

114. YANK!

115. Be still, my stomach!

116. STAY AWAY!

117. SKYVAULT RAPID ACCESS CAPSULE

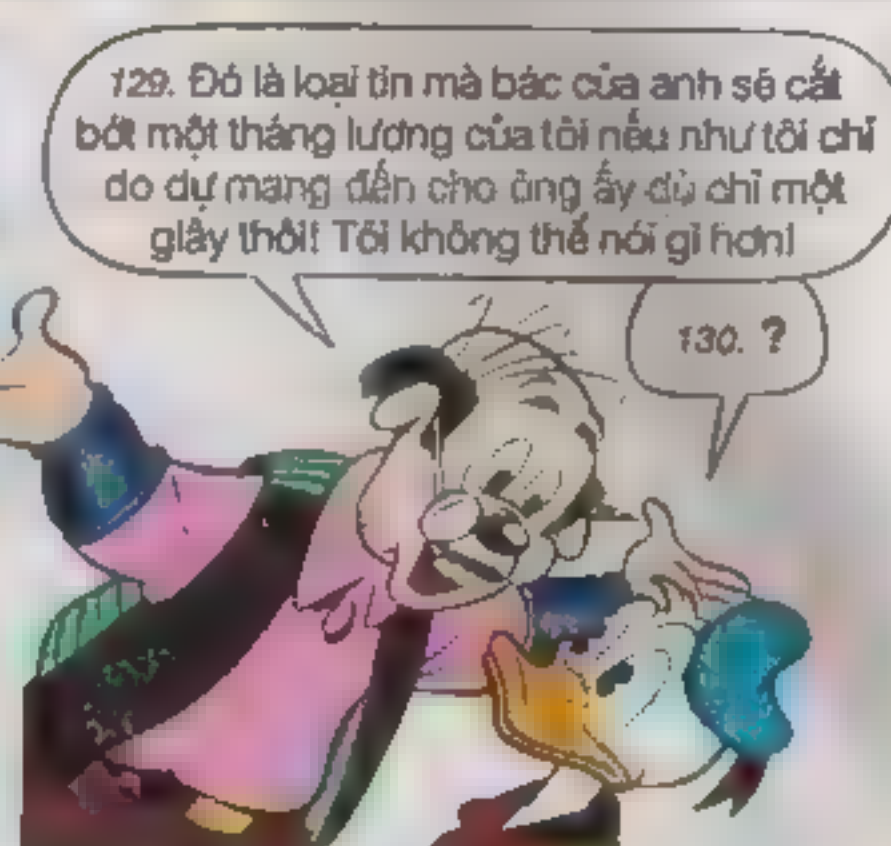

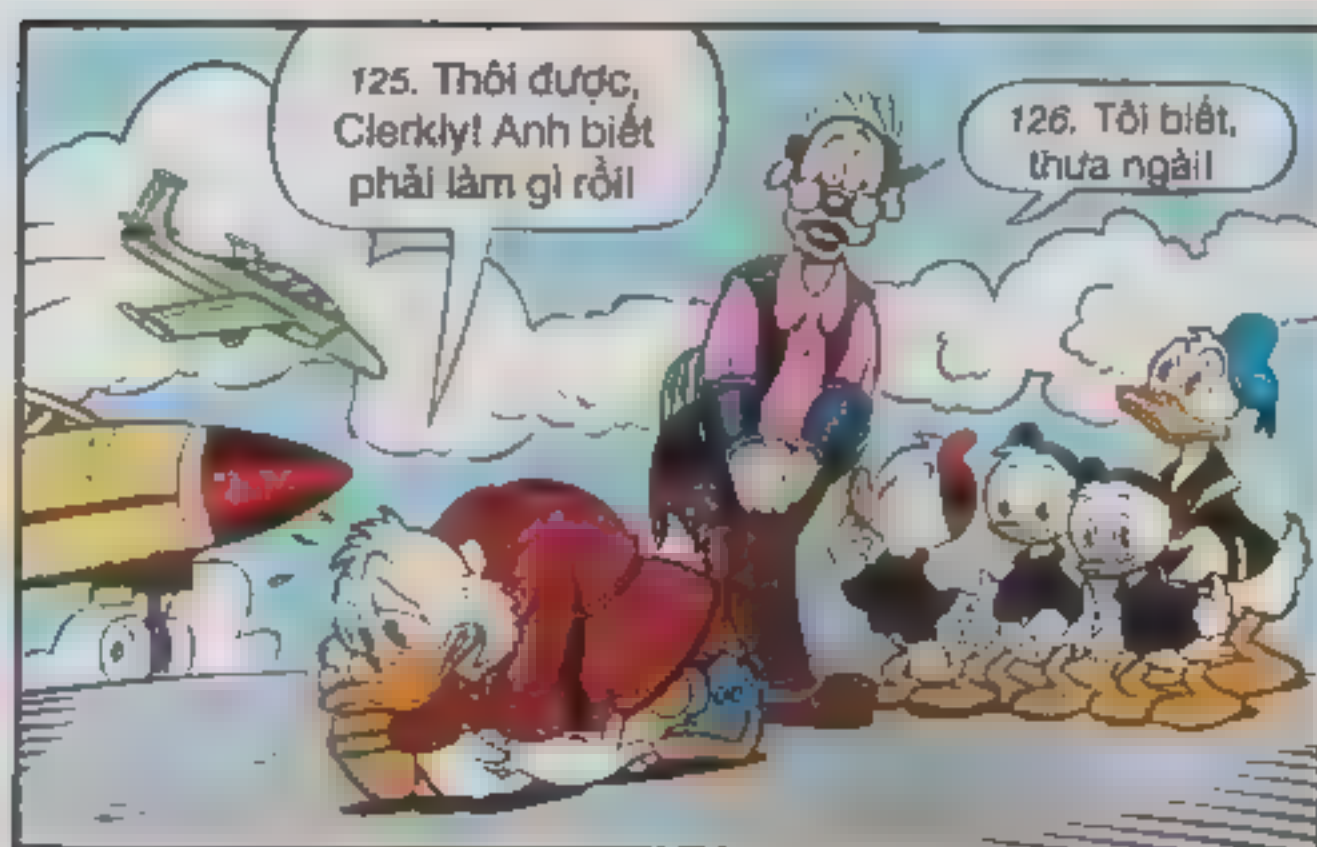

118. SPROING!

119. There's the emergency access capsule! Something's wrong!

120. More Beagle trouble?

121. We have a major crisis, sir!

122. Give it to me straight, Clerkly!

123. Eeeeeek!

124. My sentiments exactly!

125. All right, Clerkly, you know what has to be done!

126. I do, sir!

127. I was really starting to like this place, too! Ah, well!

128. What made you risk life and limb to come up here in a gonzo gizmo like that?

129. The sort of news for which your un-

cle would have docked me a month's pay had I hesitated one instant to bring it to him! I can say no more!

130. ?

131. One week later —

132. Uncle Scrooge sure seems chipper these days!

133. Morning, nephews!

134. Don't tell me you like being back in the midst of all this pillage and mayhem?

135. Of course not! But I had no choice!

136. And it was all because of the Beagles!

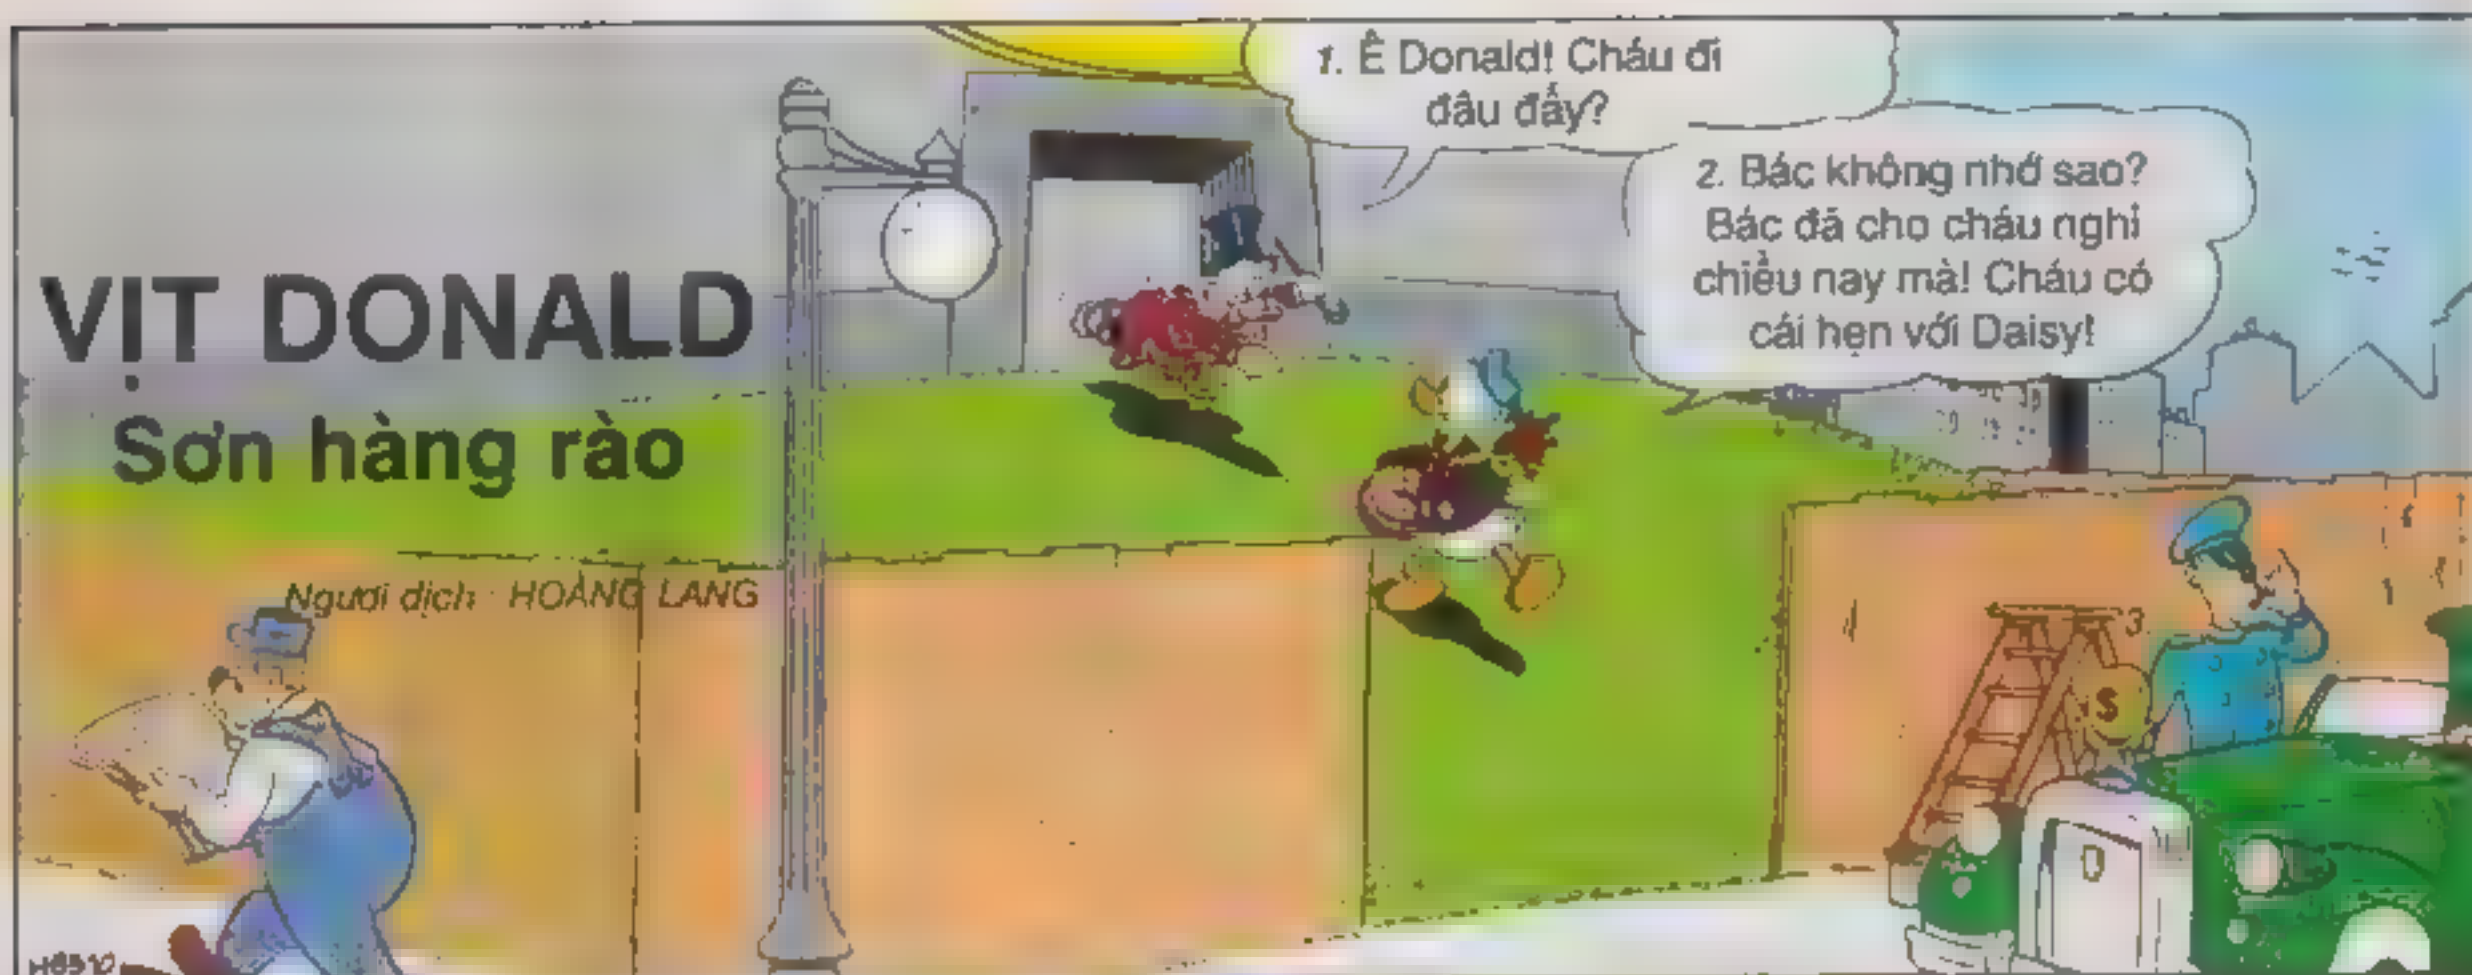

137. When my burglary insurance carrier heard they'd reached Skyvault, they jacked the "Beagle Boy" premium up on the spot! Being back on the ground saves me millions a day by comparison!

VỊT DONALD

Sơn hàng rào

Người dịch: HOÀNG LANG

1. Ế Donald! Cháu đi đâu đấy?

2. Bác không nhớ sao? Bác đã cho cháu nghỉ chiều nay mà! Cháu có cái hẹn với Daisy!

1. Hey Donald! Where're you going? 2. Can't you remember? You've given me the afternoon off! I've got a date with Daisy! 3. \$

4. Xin cháu, nhưng bác đành phải hủy buổi nghỉ chiều nay của cháu mất thôi! Bác có một việc khẩn cấp muốn nhờ cháu!

5. Thấy cái hàng rào đó không? Bác muốn nó được sơn!

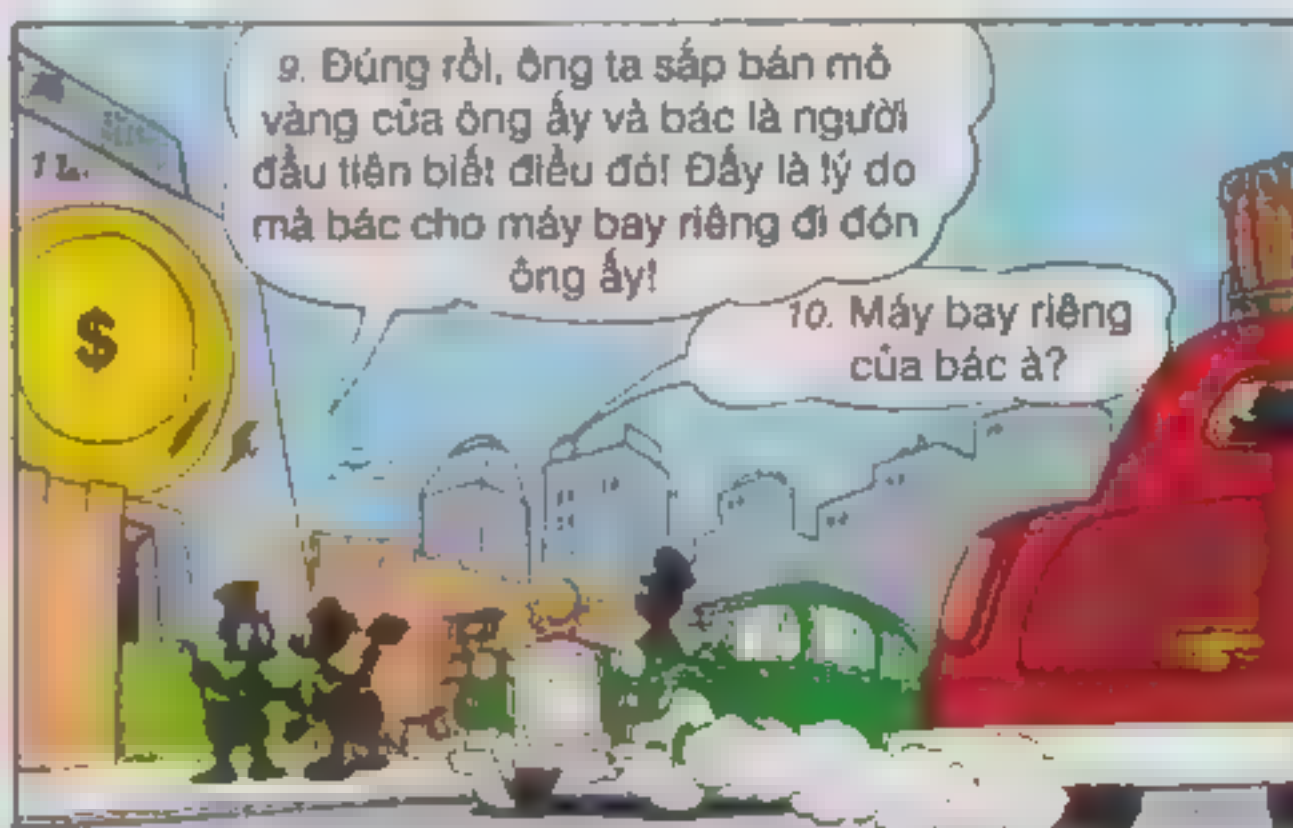

6. Trời ạ! Bác không thể chờ đến ngày mai ư?

4. I'm sorry, but I've got to cancel your afternoon off! I've got an urgent matter for you! 5. See that fence? I want it painted! 6. Oh boy! Can't it wait until tomorrow?

7. Không được! Ông Megabucks đang trên đường tới đây để dự một cuộc họp làm ăn quan trọng và bác muốn gây một ấn tượng tốt với ông ta!

8. Ông Megabucks giàu có ấy à?

9. Đúng rồi, ông ta sắp bán mỏ vàng của ông ấy và bác là người đầu tiên biết điều đó! Đây là lý do mà bác cho máy bay riêng đi đón ông ấy!

10. Máy bay riêng của bác à?

7. Nope! Mr. Megabucks is on his way over here for a very important business meeting and I want to make a good impression on him! 8. The rich Mr. Megabucks? 9. Yes, he's going to sell his gold mines and I'm the first to find out! That's why I've sent my private plane to pick him up! 10. Your private plane? 11. \$

12. Dĩ nhiên rồi! Bác phải ngăn cản đối thủ lớn nhất của bác là Honest Ed. hân không đưa được một đề nghị tốt hơn với ông ấy! Đúng rồi, hay hơn là bác sẽ ra sân bay đón ông!

13. Ngoài chuyện giàu có, ông Megabucks còn là người rất thích ngăn nắp! Vì vậy phải bảo đảm là khi bác quay về, cái hàng rào đã được sơn xong!

12. Of course! I've got to prevent Honest Ed, my biggest rival, from giving him a better offer! Well, I'd better get to airport to pick him up! 13. Apart from being rich, Mr. Megabucks is also a man to appreciate tidiness! Make sure that the fence is painted when I return!

14. Always the same tune! I'm a born loser! There goes my date with Daisy!

15. Well, no use crying over spilt milk! I might as well get started! 16. Hmmm... wait a minute... Uncle Scrooge didn't say that I had to paint the fence, he just told me to have it painted!

17. Hello, Unca Donald! We thought you had a date with Daisy! 18. That's right! But I cancelled it because I got the chance to paint this fence! 19. What? Do you prefer painting a fence to dating Daisy? 20. Sure, I can always go out with Daisy, but it's a rare thing getting the chance to paint such a beautiful fence! 21. I just don't get it!

22. Look! Just bare planking! And I get the privilege to make a beautiful fence out of it! 23. True! If you look at it that way! 24. Wanna try... because you're my nephews I'll let you have a try! 25. Gee! Thanks, Unca Donald!

26. Too bad I've only got three brushes! Now I can't help! 27. Well, boys, see you! Make sure the fence is ready when Uncle Scrooge returns! 28. Hey! Unca Donald! Wait!

29. I reckon we've been tricked! 30. Without a doubt! We swallowed the bait! 31. And we can't even run away, then we'll get into trouble with both Uncle Donald and Uncle Scrooge! 32. Well, boys! What a tough job you've got! Aren't you a bit too young for that? 33. Our Unca Donald doesn't think so!

34. I'd like to help you because I love to paint! But you won't let me, will you? 35. We sure will! 36. Here's a brush, mister! But you've got to be ready by the time Uncle Scrooge is back! 37. Well, boys! You can count on me!

38. Của cháu đây, bởi vì cháu đã cố gắng hết sức! 39. Cảm ơn ông! 40. Ồi trời ơi! 41. Nghe này! Cậu nghĩ sao nếu chúng ta đi xem phim thay vì đi câu cá?

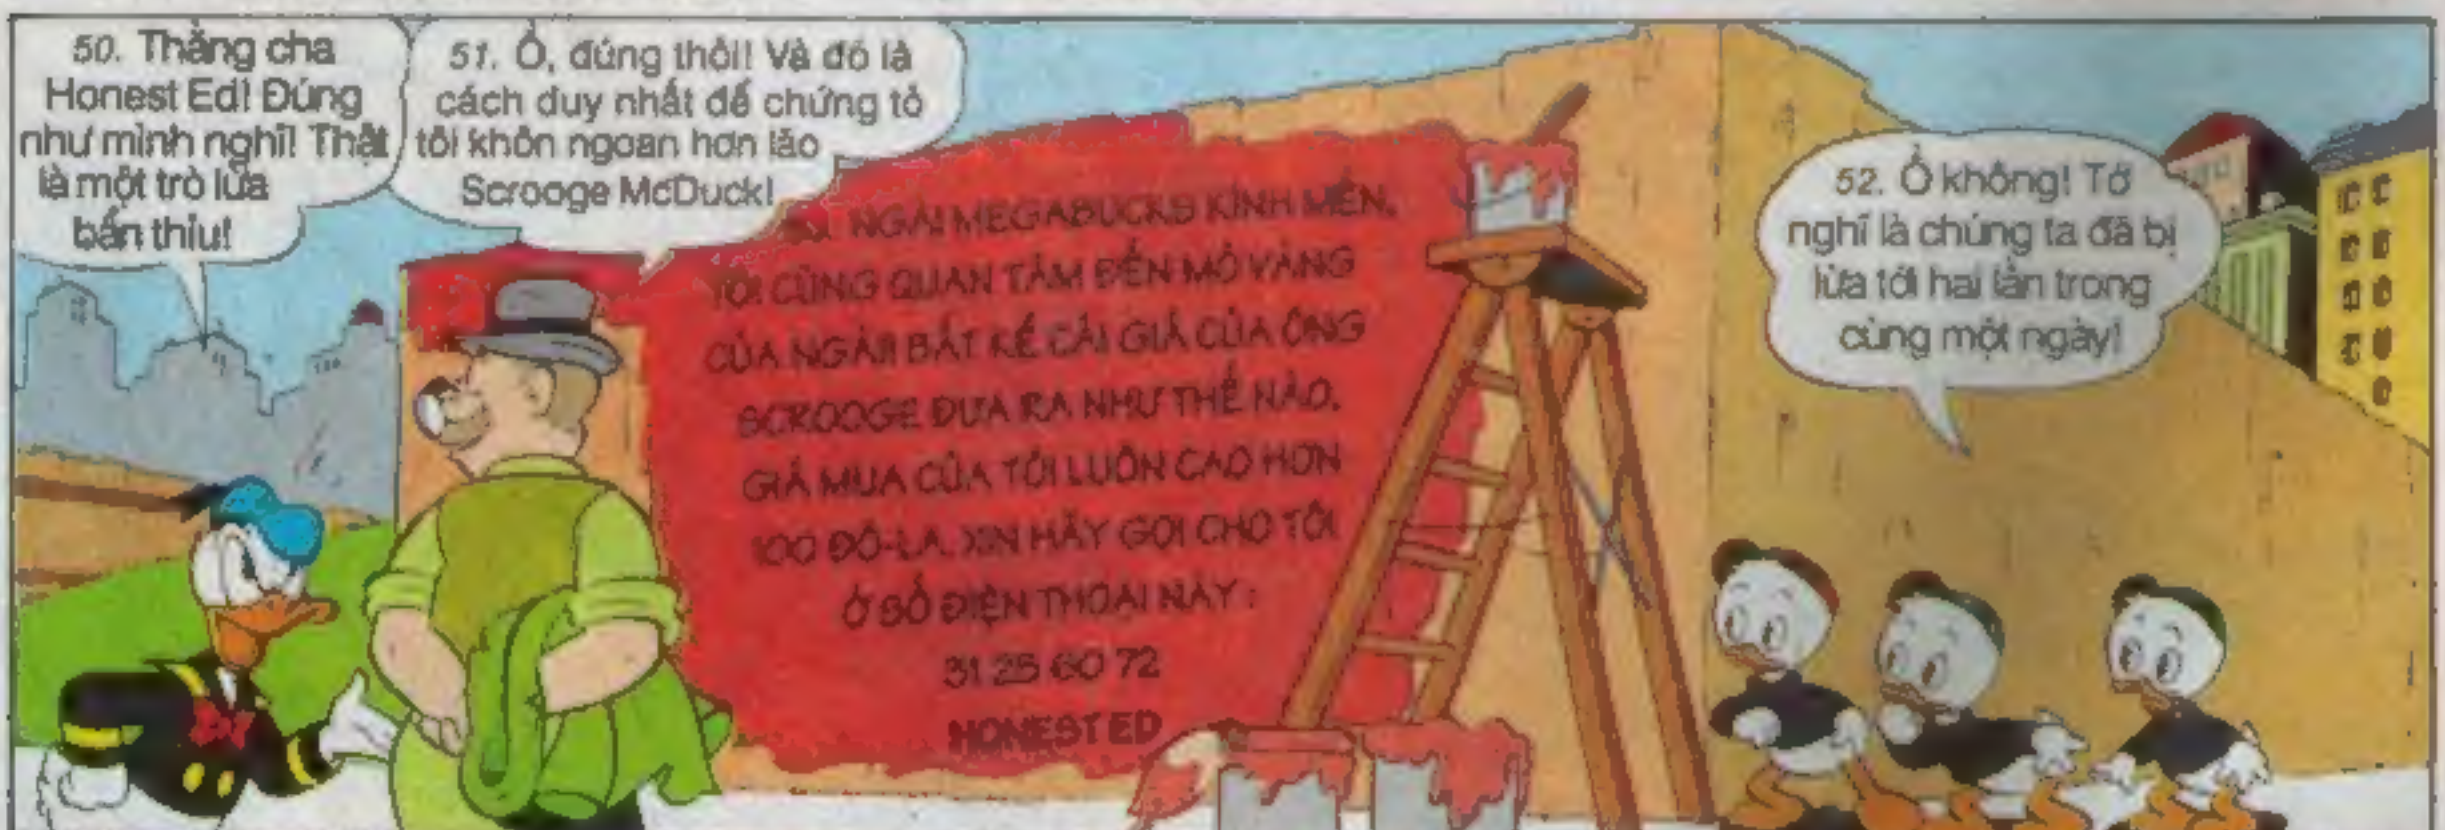

38. Here you are, that's because you did your best! 39. Thanks, mister! 40. Oh boy! 41. Listen! How about going to the cinema instead of going fishing?

42. Two hours later — 43. Look Donald! That's your nephews! 44. Good Lord! What're you doing here? You're suppose to be painting Uncle Scrooge's fence! 45. SCAL 46. Don't worry, Unca Donald! It's all taken care of!

47. A nice gentleman asked us if we'd let him do it! 48. He even gave us money to go to the cinema and to buy ice creams! 49. Oh-oh! Something isn't quite right! I'd better go and check it out!

50. Honest Ed! Just as I thought! What a dirty trick! 51. Oh, well! It's just the only way to be more clever than Scrooge McDuck! 52. Oh no! I think we were tricked twice in the same day! 53. DEAR MR. MEGABUCKS, I'M INTERESTED IN YOU! OLD MINES, TOO! WHATEVER SCROOGE MCDUCK OFFERS YOU, I'LL ALWAYS GIVE YOU 100 DOLLARS MORE! PLEASE CALL ME TELEPHONE#: 31 25 60 72 HONEST ED

54. Maybe you'd better leave us alone now, Donald Duck! 55. You bet! That I don't need to be told twice! 56. DONALD! 57. That night — 58. How long are we going to hide up here? 59. I don't know... but as long as Unca Scrooge is down there we don't have to fear Unca Donald! 60. THE END
